And we could say that applies to how you choose to begin or start your year. August brings with it a new school year and new opportunities. How will you begin your year? Have you thought about that? Will you choose to begin it in a certain way with a certain attitude? Will you choose to start with a solid foundation? Who or what will be that foundation?

God is gently wooing us always to begin our day (and our year) with Him. He knows our deepest desires. He knows what will make us the happiest and will bring us the ultimate joy and greatest sense of fulfillment. Will you trust Him to be your foundation each day of this new school year?

For those who are saying goodbye, you, too, have a choice. He can be your foundation for your next adventure.

Think about it.

Thank you for your cooperation in the following matters:

Congratulations, Graduates!

You made it! Remember, per your Lease Agreement:

1. You will have 7 days to move out after graduation.
2. If you stay longer than 7 days, \$10/day will be charged in addition to your rent.
3. You must pay rent for every day you are here...including the day of graduation and all others.

Please Note: If you have a balance of \$50 or more after the 10th of the month, you will receive a late fee and a hold will be placed on your account.

Are you moving?

Have you turned in a 30-day notice? (Go to "Quick Links" and then "Forms" on our home page.)

Rent will be charged for a minimum of 30 days after we are informed that you are moving.

If your lease has not expired and you are not graduating, you will need to find someone to take over your lease or pay rent through the expiration of your lease.

The garbage disposals were only made to take care of your table scraps. Please DO NOT place anything else down them or they will break. Thank you.

Please do not put wipes of any kind (even "flushables") down the toilet. Our plumbing will not handle it and you will end up with a clogged toilet. Thank you.

It is summer and people are out running, walking, playing sports and riding bikes/skateboards. Parents, please remind your children that riding bikes/skateboards/scooters near the apartments is VERY dangerous for them and for someone who may accidentally be hit. The long sidewalk between Garland and Beechwood is where bikes and skateboards should be ridden.

Also please remind them that our residents are students and need quiet time for study and grounds by as well as Garland F very good and need quiet time for sleep. There are play-Garland G and Garland F basketball courts behind and Garland G that are places to play. Please remind them to play there instead of in and around the buildings.

Lastly, please be cautious when driving along the roads beside/behind the apartments and in the parking lots. Someone (especially a child) could run/ride out in front of a car at any time. Driving slowly and cautiously can help ensure the safety of everyone in and around the apartments.

If you have mail that is not addressed to you and/or members of your household, please bring that to the office regularly. We will take care of it.

It is a Federal offense to hold onto the mail of someone else.

Please note: If it is addressed to "Resident" or "Occupant," that means you. If you do not want it, please throw it out.
