United States citizens as well as others who have lived here a while tend to think of July 4 as a day of celebration and relaxation; of fireworks and parades; of time with family and friends, barbecues, and staying home from work places. Every country everywhere, I suppose, for the most part, has a day to sit back and remember how they became their own country—winning their independence from some other country’s rule.

In this world, we have someone, too, who is the ruler. He stole this planet from its rightful owner by tricking its residents into submission to him. Once he had their loyalty gained not through respect and awe, but through deceit and a masterful mixture of lies with just a small amount of truth, there was nothing they could do. They were trapped. But God.... Don’t you just love those type of sentences? But God had a plan. He didn’t leave those residents, nor their descendants to just suffer under the new regime with no hope of escape. The Bible says,
Thank you for your cooperation in the following matters:

Congratulations, Graduates!

You are almost there! Remember, per your Lease Agreement:
1. You will have 7 days to move out after graduation.
2. If you stay longer than 7 days, $10/day will be charged in addition to your rent.
3. You must pay rent for every day you are here...including the day of graduation and all others.

Are you moving?

Have you turned in a notice?
Rent will be charged for the number of days you and/or your personal items are in the apartment.

If you have mail that is not addressed to you and/or members of your household, please bring that to the office regularly. We will take care of it. It is a Federal offense to hold onto the mail of someone else.

Please note: If it is addressed to “Resident” or “Occupant,” that means you. If you do not want it, please throw it out.

The garbage disposals were only made to take care of your table scraps. Please DO NOT place anything else down them or they will break.

Please remember that most of our residents are students. They may be either trying to study or trying to sleep. Thank you for thinking of others and keeping your conversations and other activities quiet in and around our buildings.

For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish, but have everlasting life” (John 3:16).

God won our independence from Satan’s rule. The battle is still raging, but the war has already been won and one day we will be through with this world. Then we will sit and remember, again, how our independence was bought for us on a lonely hill called Golgatha. What a wonderful day that will be!

Please do not put wipes down the toilet. Our plumbing will not handle it and you will end up with a clogged toilet. Thank you.

It is summer and people are out running, walking, playing sports and riding bikes/skateboards. Parents, please remind your children that riding bikes/skateboards near the apartments is VERY dangerous for them and for someone who may accidentally be hit. The long sidewalk between Garland and Beechwood is where bikes and skateboards should be ridden.

Also please remind them that our residents are students and need quiet time for study and sleep. There are playgrounds by Garland G and Garland F as well as basketball courts behind Garland F and Garland G that are very good places to play. Please remind them to play there instead of in and around the buildings.

Lastly, please be cautious when driving along the roads beside/behind the apartments and in the parking lots. Someone (especially a child) could run/ride out in front of a car at any time. Driving slowly and cautiously can help ensure the safety of everyone in and around the apartments.
