- 25 SED: Annual Leadership Roundtable Conference, 7/25-27
- 29 MLS: Program Clinical Practica ends

I've been watching a TV show which was popular in the 60's. It is a show built around a park ranger and his kids who have a pet dolphin, Flipper. Flipper, it seems, always saves someone in need in some way. However, in one episode, Flipper became entangled in a chain and rope net attached to a floating mine. This mines "tentacles" were very sensitive and built to go off at the slightest touch. It didn't help that the floating mine was right beside a jedi (pile of rocks making an island of sorts). The youngest son found Flipper and held him up until his father came. The park ranger, thinking only of saving the dolphin dove in and secured Flipper in a inflatable raft so that he would be able to breathe. (Dolphins are mammals and need to come up for air from time to time before going back under water.)

Then, he took an underwater torch and worked to set Flipper free from the mine. 

Once Flipper was freed, he had to be airlifted and the park ranger had to swim quickly out of danger. (Cont. on p. 2)

Hey, kids! Did you know that July is National Ice Cream Month? Mmmmmm! In honor of that, I have placed several pictures of ice cream in this newsletter. Can you find them all? How many? They are not all the same kind so be careful to look for all kinds of ice cream!

ANSWER: 7

Thank you for your cooperation in the following matters:

**Congratulations,
Graduates!**

You are almost there! Remember, per your Lease Agreement:

1. You will need to turn in a 30-day notice.
2. You will have 7 days to move out after graduation.
3. If you stay longer than 7 days, \$10/day will be charged in addition to your rent.
4. Your rent will be prorated according to the number of days you are in the apartment.

WE'RE MOVING!

Are you moving?

Have you turned in a notice?

Rent will be charged for the number of days you and/or your personal items are in the apartment.

Please Note: If you have a balance of \$50 or more after the 10th of the month, you will receive a late fee and there will be a hold placed on your account.

The garbage disposals were only made to take care of your table scraps. Please **DO NOT** place anything else down them or they will break. Thank you.

Please remember that most of our residents are students. They may be either trying to study or trying to sleep. Thank you for thinking of others and keeping your conversations and other activities quiet in and around our buildings.

(cont. from p. 1)

He had just reached the boat when the mine hit one of the rocks and blew up. Of course, we know that the script was designed for no one to get hurt and/or die.

Someone else dove into this world to free us from the chains that Satan had wrapped around us. He didn't think of His own life, either. Unlike this TV show, though, He knew the consequence was death. There was no script to save Him from harm. He did it anyway so that we could be free. What a Savior! What a God!

—Sue

Please do not put wipes down the toilet. Our plumbing will not handle it and you will end up with a clogged toilet. Thank you.

It is summer and people are out running, walking, playing sports and riding bikes/skateboards. Parents, please remind your children that riding bikes/skateboards near the apartments is **VERY** dangerous for them and for someone who may accidentally be hit. The long sidewalk between Garland and Beechwood is where bikes and skateboards should be ridden.

Also please remind them that our residents are students and need quiet time for study and sleep. There are playgrounds by Garland G and Garland F as well as basketball courts behind Garland F and Garland G that are very good places to play. Please remind them to play there instead of in and around the buildings.

Lastly, please be cautious when driving along the roads beside/behind the apartments and in the parking lots. Someone (especially a child) could run/ride out in front of a car at any time. Driving slowly and cautiously can help ensure the safety of everyone in and around the apartments.

If you have mail that is not addressed to you and/or members of your household, please bring that to the office regularly. We will take care of it. It is a Federal offense to hold onto the mail of someone else.

Please note: If it is addressed to "Resident" or "Occupant," that means you. If you do not want it, please throw it out.
