- 30 Late Session: Last day to complete the following by 5 p.m.: enter Late Session; drop a class with full tuition refund; drop a class by drop/add form without a fee or entry on permanent academic record; change audit to credit

Independence is a wonderful thing. When we're young, usually we dream of the day when we are old enough to move out and be on our own—make our own decisions; live where we want; eat what we want; go to bed when we feel like going to bed; etc. Of course, when that all happens, sometimes we wish we could take it back and at least give mom and dad back the responsibility for our bills because independence does not necessarily mean freedom from everything. With independence comes responsibility. I imagine that our forefathers here (as well as the forefathers of any other independent country) felt a certain sense of freedom as well as perhaps an uncertainty about the responsibilities they now faced. When we decide to give our lives to God, there is an independence we gain as well. We gain independence from the weight of sin. Jesus already paid that price for us. However, some have the view that they can then continue life as usual. This is not indicated in the Bible. The Bible tells us that the wages of sin is death (Rom. 6:23). Some think that the ten commandments are no longer valid since Jesus died. If that were true, it would be morally right to kill someone. With our decision to devote our lives to God comes responsibility to His Law/His Character—which breaks down to one word: love. If we love God, we will keep His commandments (John 14:15). Is it always easy? No, but God never asks us to do it alone. "And surely I am with you always, to the very end of the age" (Matt. 28:20).

Andrews University
Office of University Apartments

Thank you for your cooperation in the following matters:

Congratulations, Graduates!

You are almost there! Remember, per your Lease Agreement:

1. You will need to turn in a 30-day notice.
2. You will have 7 days to move out after graduation.
3. If you stay longer than 7 days, \$10/day will be charged in addition to your rent.
4. Your rent will be prorated according to the number of days you are in the apartment.

Are you moving?

Have you turned in a notice?

Rent will be charged for the number of days you and/or your personal items are in the apartment.

The weather is certainly warming up now. Some of you may be feeling that your apartment is really hot. Here's an option:

Though our office does not offer any for sale or rent, personal air conditioners may be used. An extra charge of \$20 per month for the electricity will be added to apartment rent during the months of June, July, and August if there is a unit in your window. The charges will be incurred whether the air conditioner is used or not. If you will not be using your unit and do not wish to pay the extra charge, please remove the air-conditioner from your window. Units requiring 220 volt circuits may be used in Garland apartments only. Beechwood and Maplewood apartments will handle 115 volt units only.

If you live in Beechwood, please contact our office (269-471-6979) before installing your unit.

Please Note: If you have a balance of \$50 or more after the 10th of the month, you will receive a late fee and there will be a hold placed on your account.

If you have mail that is not addressed to you and/or members of your household, please bring that to the office regularly. We will take care of it. It is a Federal offense to hold onto the mail of someone else.

Please note: If it is addressed to "Resident" or "Occupant," that means you. If you do not want it, please throw it out.

It is summer and people are out running, walking, playing sports and riding bikes/skateboards. Parents, please remind your children that riding bikes/skateboards near the apartments is VERY dangerous for them and for someone who may accidentally be hit. The long sidewalk between Garland and Beechwood is where bikes and skateboards should be ridden.

Also please remind them that our residents are students and need quiet time for study and sleep. There are playgrounds by Garland G and Garland F as well as basketball courts behind Garland F and Garland G that are very good places to play. Please remind them to play there instead of in and around the buildings.

Lastly, please be cautious when driving along the roads beside/behind the apartments and in the parking lots. Someone (especially a child) could run/ride out in front of a car at any time. Driving slowly and cautiously can help ensure the safety

Please remember that most of our residents are students. They may be either trying to study or trying to sleep. Thank you for thinking of others and keeping your conversations and other activities quiet in

Fireworks in this area
