| 14 | University-level Schools: Classes resume |
| 22 | Breakfast on the Run (Housing Office), 7-9 a.m. |

October is usually good weather for sweaters and hot chocolate. Temperatures tend to be a little (or sometimes a lot) cooler. It's a time for crisp apples, fun hay rides, and silly party games like eating donuts off a string and passing some kind of round fruit from person to person with your chin. Of course, I only know these to be true here in the United States. I am not aware of what October might mean in other countries. Hey, in some places, October is actually what we would consider spring time in terms of weather. Some here have just put in a little more than 1 month into their program whereas others are halfway through or still others are finishing up the "last leg of the race." The point is that life runs in cycles...points or seasons of time. We are not all in the same place nor do we all have the same viewpoint.

One thing I do hope all of us have in common is the vision and knowledge that God is awesome and that He loves each and every one of us. He loves without distinction or preference. He doesn't give out love based on merit. He does not give His love based on race, creed, or gender. He loves equally ALL His children. He even loves those who have not chosen/do not choose Him.

And, He chose to save us when we were against Him. The bible says, "But God demonstrates His love for us in this: While we were still sinners, Christ died for us", Romans 5:8.

What a God!

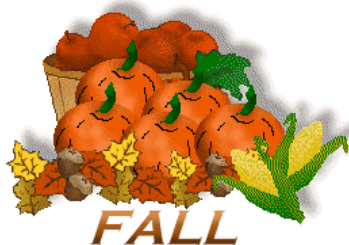

So, no matter what season or cycle of life you are in, remember this: GOD LOVES YOU! He is there through the valleys as well as the mountains. He loves you through the bad times as well as the good. He loves you when you are top of your class; when you are at the very bottom; and also when you are somewhere in the middle.

Andrews  University
Office of University Apartments

Thank you for your cooperation in the following matters:

Are you moving?

Have you turned in a 30-day notice?

Rent will be charged for a minimum of 30 days after we are informed that you are moving.

If your lease has not expired, you will have to find someone to take over your lease or pay rent through the expiration of your lease.

Please Note: If you have a balance of \$50 or more after the 10th of the month, you will receive a late fee and a hold will be placed on your account.

Please do not put wipes of any kind (even "flushables") down the toilet. Our plumbing will not handle it and you will end up with a clogged toilet. Thank you.

The garbage disposals were only made to take care of your table scraps. Please DO NOT place anything else down them or they will break.

Please Be Quiet

Please remember that most of our tenants are students. They may be either trying to study or trying to sleep. Thank you for thinking of others and keeping your conversations and other activities quiet in and around our buildings.

If you have mail that is not addressed to you and/or members of your household, please bring that to the office regularly. We will take care of it. It is a Federal offense to hold onto the mail of someone else.

Please note: If it is addressed to "Resident" or "Occupant," that means you. If you do not want it, please throw it out.

The school year has begun, but people are still out running, walking, playing sports and riding bikes/skateboards. Parents, please remind your children that riding bikes/skateboards near the apartments is VERY dangerous for them and for someone who may accidentally be hit. The long sidewalk between Garland and Beechwood is where bikes and skateboards should be ridden. Also please remind them that our residents are

students and need quiet time for study and sleep. There are playgrounds by Garland G and Garland F as well as basketball courts behind Garland F and Garland G that are very good places to play. Please remind them to play there instead of in and around the buildings.

Lastly, just a reminder to slow your car down along the roads beside/behind the apartments and in the parking lots. Excessive speed is very dangerous as someone could run/ride out in front of a car at any time. Please be sure to drive slowly and cautiously so as to ensure the safety of everyone in and around the apartments.
