CO-CURRICULAR ORGANIZER
2019–2020
Dear Graduate and Undergraduate Students,

Our goal at Andrews University is to provide you with an excellent Christian education that will prepare you for a rewarding career and a fulfilling life.

In the Seventh-day Adventist tradition, that means developing the whole person—body, mind and spirit—for service to the world.

A major study of university graduates found that students who apply what they are learning in the classroom to co-curricular activities make better employees once they graduate.

Employers consistently ask for graduates who have both an academic degree and the kind of skills and qualities that can come from engaging with others in a variety of spiritual, leadership and service opportunities.

The University’s co-curriculum offers you these opportunities as part of a wholistic learning experience. Inspirational chapels, educational programs and service learning will add value to what you achieve in your degree program.

My hope is that you will invest yourself in the rich community of faith and learning that is Andrews University!

Andrea Luxton
President
ANDREWS UNIVERSITY
CO-CURRICULUM

FAITH & LEARNING
OUTSIDE THE CLASSROOM
An Andrews University education values the whole person and the whole picture of God’s eternal plan.

It develops your physical, mental and spiritual abilities and unites them for a higher purpose—the joy of serving others in this world with the hope of a better world to come.

Above all, an Andrews education points you to your Maker, who came that you “may have life, and have it to the full” (John 10:10).
Engage Faith and Learning
OUTSIDE THE CLASSROOM

Students can engage faith and learning outside the classroom in a variety of ways, each delivering the whole-person education at the heart of Andrews University’s mission.

UNIVERSITY CHAPELS AND FORUMS, open to both graduate and undergraduates, are held on Thursday from 11:30 a.m. to 12:20 p.m. in the Pioneer Memorial Church and the Howard Performing Arts Center, respectively. These gatherings offer a wide range of inspiring speakers.

SEMINARY WORSHIP AND ASSEMBLY programs, open mainly to Seminary students, faculty and staff (due to space constraints), meet on Tuesdays and some Thursdays from 11:30 a.m. to 12:20 p.m. in the Seminary Chapel.

CO-CURRICULAR SHORT COURSES take place in five-week blocks on Tuesdays from 11:30 a.m. to 12:20 p.m. in various locations. These series are focused on personal, spiritual, academic and professional development. Those who attend all five sessions in a block receive an additional credit. Interspersed between the blocks are Academic Assemblies, which meet three times per semester in undergraduate academic departments.

LIVING LEARNING PROGRAMS occur throughout the week in the residence halls. These programs are designed to promote life-long and life-wide learning within the context of Christian community.

SERVICE LEARNING FORMS allow students to document and reflect on their voluntary service in campus, church or community contexts. Undergraduates can receive one co-curricular credit for every two hours of service, up to a maximum of 10 credits (20 hours) per semester.

OTHER PROGRAMS include Friday Vespers, Student Concerts and Recitals, Student Gallery Openings, Research Poster Sessions and approved educational conferences and events planned by student organizations and campus departments.

Join Us for the 3rd Annual Change Day

Change Day was born out of the University’s mission to Seek Knowledge, Affirm Faith and Change the World. Inspired by our namesake John Nevins Andrews, the first Adventist missionary, we give back to our community with a day of service. Last year, 1,400 campus volunteers served at over 60 sites in Berrien County. Projects ranged from painting a school mural, to cleaning beach areas and parks, to mulching and removing brush, to holding a career fair for hundreds of high school students. Those impacted by Change Day efforts were appreciative of the results. This year we will continue to Change Our World on Tuesday, September 24, 2019.
**Aug 29 :: President Andrea Luxton** will address students, faculty and staff at the annual University Convocation, which officially opens the 2019–202 school year. Andrews faculty will process in full academic regalia and a “Party on the Green” will follow the service.

**Sept 05 :: Jeremy Poincenot** is a three-time World Blind Golf Champion and seven-time National Champion, having lost his central vision to a rare genetic disorder while in college. His story has inspired others to turn trauma into triumph and to embrace the gift of interdependence.

**Sept 12 :: Campus Ministries** located on the main level of Campus Center, provides pastoral care as well as support for student-led ministries and faith development programs. Today’s chapel will feature members of our Campus Ministries Team.

**Sept 16–20 :: David Asscherick** is the lead pastor of the Kingscliff Church in Kingscliff, Australia and co-founder of ARISE, a discipleship ministry for young adults. He is the author of “God in Pain: Another Look at Evil, Suffering, and the Cross.” He is passionate about the local church and its unique ability to impact the world. He enjoys rock climbing, cycling, hiking, bird watching, photography, traveling and reading. David and his wife of 20 years, Violeta, are the proud parents of two teenage boys, Landon and Jabel.

**Sept 26 :: Change Day 2019** is in the history books. Now it’s time to reflect on what we have learned and imagine new possibilities for the future. What else could we accomplish? Where could we serve, both locally and globally? How can we make every day a Change Day?
We need each other—to survive, to heal, to grow, to flourish. That’s because we were created to be interdependent. The 2019–2020 Chapel and Forum series will look at the tools of interdependency, such as connection, intimacy, accountability, grace, forgiveness, conflict resolution and teamwork. Nothing helps us become strong, healthy individuals like God’s plan for mutual support and care.

“Two are better than one because they have a good reward for their efforts. For if either falls, his companion can lift him up... A cord of three strands is not easily broken” (Ecclesiastes 4:9–12, CSB).

“From Him the whole body grows, fitted and held together through every supporting ligament. As each one does its part, the body grows in love” (Ephesians 4:16, NET).
Oct 03 :: **Student Missions** sent out over 30 students last year to serve in locations all over the world as teachers, healthcare assistants, agriculture workers and more. Now they’re sharing their experiences with the campus to inspire the next cohort of student missionaries.

Oct 10 :: **Manny Arteaga** is the founding pastor of the Kalēo Seventh-day Adventist Church in Southern California. A graduate of La Sierra University, he is currently working on a doctorate in urban ministry at Fuller Seminary. He and his wife, Keren, are the proud parents of three children.

Oct 17 :: **James Standish** most recently served as the communications director for the South Pacific Division of Seventh-day Adventists, having previously been the denomination’s representative to the U.S. government and the United Nations in New York and Geneva.

Oct 24 :: **Patrick Gray and Jason Skeesuck** are lifelong friends. When Justin, who manages life from a wheelchair, wanted to make the 500-mile trek across Spain on the Camino de Santiago, Patrick’s response was “I’ll push you!” Since that epic journey and through the book and documentary that followed, they have shared one simple truth: we are better together; life’s difficulties are overcome because of the strength we draw from one another.

Oct 31 :: **Darren Morton** is an internationally recognized wellbeing researcher, author and former national-level Australian athlete. As the producer of The Lift Project, he is passionate about evidence-based approaches for optimizing human functioning and helping people live their best life.

LIVING-LEARNING PHILOSOPHY

WHAT WE DO AND WHY

The lessons and skills of everyday life can be learned and shared in a Residence Hall community through engagement in programs, activities and discussions. Residence Life staff are committed to not only teach these skills and values but to model them, as well.

Transferable Skills | From professional development to life hacks to adulting, we prepare residents for daily life beyond the classroom.

Character Development | More important than what you will become is who you are becoming. Timeliness, integrity, respect—all are pieces of a moral code that we encourage residents to build piece by piece.

Service Engagement | Learning to live well with others involves looking for opportunities to serve others. We connect our community with other communities through service.

Faith Activation | How does the seeming stagnation of belief interact with the perpetual motion of daily life? We help students build a framework of faith as a guide for daily life.

Physical Purpose | Our bodies are not only God’s temples but His instruments, as well. We teach residents to value physical health as the pathway toward greater purpose.

Worldview Awareness | Is an education only to benefit ourselves or also to help others? We challenge students to think beyond themselves and ask the big questions as a part of their development.
LIVING-LEARNING PROGRAMS

WHAT WE OFFER

Residence Life staff offer a variety of programs throughout the year. These will be posted on the Co-Curricular Education website, including:

- Speakers Series (Topics In-Depth)
- RA Town Halls
- Professors-in-Residence
- “The Lift” (Physical Fitness)
- “Life 101” (Life Skills/Adulting)
- Deans’ Worships
- Joint Worships
- “TV/MA” Documentary Series
- Community Service
- Story Slams

Proximity Vespers

Proximity Vespers takes place every Friday evening at 7:30 p.m. Smaller vespers programs hosted by student clubs, academic departments or faculty and staff also meet periodically. If your organization is planning one of these and would like to offer co-curricular credit, please mention it on your Event Approval form.

Grow Groups

Grow Groups are an excellent way to connect with other students and church members around a common interest or Bible study topic. Groups meet for several weeks each semester and include time for fellowship, outreach and spiritual growth. If you would like to join a Grow Group or talk to someone about starting one of your own, contact the PMC office.

</table>
Why is it required? The University’s educational plan is built on three pillars: General Education provides a broad foundation, Co-Curricular Education enhances personal and professional development, and an Academic Major builds disciplinary knowledge and skills. All three are an essential part of earning an Andrews degree.

How much does it cost? The co-curricular fee is charged at the end of the semester and accumulates on the basis of non-participation. There will be a fee of $25 for the first credit short of the requirement and $15 for every credit short thereafter. A maximum of $460 may be charged to traditional students and $160 to non-traditional students, per semester. As an incentive for participation, this fee can be minimized or completely eliminated by fulfilling the requirement.

What if I don’t participate? You must complete at least 75 percent of the requirement (23 out of 30 credits) in order to pass. Those who do not pass will be placed on “co-curricular probation.” This will be noted on your iVue account.

What if I work during the co-curricular period? As with classes, students are expected to arrange their work schedules to accommodate co-curricular appointments.

Who keeps track of co-curricular credits? The Student Life office takes attendance at events and records all credit. However, students are responsible for keeping track of their online record throughout the semester.

How do I view my co-curricular record? Go to Andrews Vault and click on “The Co-Curriculum” link. Check your co-curricular record every couple of weeks. Also, remember to read your Andrews email. We use this to send important updates throughout the semester.

What if a credit is missing from my record? You must report it within 21 days using the “missing programs” link in your co-curricular record in Vault. Credit will not be restored for programs at which you failed to scan, sign-in, or did not have your ID card. Those missing three or more programs should report the problem in person to the Student Life office.

Please Remember...

- To check your Co-Curricular Record in Andrews Vault on a regular basis. Missing credits must be reported within 21 days of the actual event.
- To read your Andrews email. We will send you important updates throughout the semester.
- To visit the Co-Curricular Education website at andrews.edu > Current Students > Co-Curricular Education for all the latest information.

* Non-Traditional Students are students 25 years and older and/or parents with a child in their care. Non-traditional students may fulfill their requirement by viewing programs online. Please contact the Student Life office for details.

### Thursday Minimum | 12 credits

Traditional undergraduates must attend a minimum of 12 programs offered on Thursdays during the 11:30 a.m. to 12:20 p.m. co-curricular period.

### Living Learning Minimum | 6 credits

Traditional undergraduates living in a residence hall (Lamson, Meier or University Towers) must attend a minimum of six living learning programs offered in the residence hall system.

### Co-Curricular Exemption | 120+ Earned Academic Credits

Students who begin a semester with 120 or more earned academic credits on their University Academic Record in iVue will be exempted from the co-curricular requirement after the drop/add date. If you do not see confirmation of your exemption after this date in your Attendance Record, do not assume that you are exempt. Please contact the Student Life office for clarification of your status.

Seminary Worship Attendance

Regular and punctual attendance is required at Seminary Worships and Assemblies for faculty, staff and students in residence, except students registered for seven credits or fewer and faculty who have assignments off-campus or are on an approved research term. Student requests to be excused from this requirement should be addressed to the Seminary Deans' office in writing. Regular worship attendance is a graduation requirement for students in residence.

Attendance Guidelines

- All students registered for more than seven credit hours are required (a graduation requirement) to attend 10 worships in the fall and spring semesters and four in the summer. Tuesday Worships and two out of the three Week of Spiritual Emphasis meetings count toward the 10 required. Required assemblies also count toward the 10.
- If a student is more than five minutes late, no credit will be given.
- There may be special University or Seminary events at which credit will be given. The Seminary Deans’ office will notify Seminary students via email of the event and how to receive credit.

How to Check Your Seminary Worship Attendance

Use the link provide on the Resources page of the Seminary website. Go to andrews.edu/sem > Resources.

Makeup Policy

Most worship services are recorded and posted online (on the Seminary website andrews.edu/sem > Resources). A student can make up for an absence by a) listening to the recorded service and b) writing a two-page, typewritten reaction to the event and turning it in to the Seminary Deans’ office.
Andrews University Graduate Student Association (AUGSA)

Led by a team of executive officers, the AUGSA serves as the representative governing body for all graduate students and plan several events each year, including:

- Sept 22: AUGSA Brunch
- Dec 13: AUGSA Foster Children Christmas Party
- Feb 02: AUGSA Super Bowl Party
- Feb 13: Graduate Students Professional Development Day
- Mar 8: AUGSA Gala
- Apr 5: AUGSA Family Fun Day

Connect Andrews

Connect Andrews provides opportunities for connection among graduate students through three targeted initiatives. The Connect Excursion is a once-per-semester trip designed to build community among graduate students. The Connect Café is a social gathering where graduate students can connect with each other and de-stress around food and live music. The Agora exists as a space for open and honest dialogue within the Adventist church on controversial issues. All dates TBA.

The Human Empowerment Life Project (H.E.L.P.) mobilizes World Changers who want to create better classroom environments, improve students’ academic proficiency and build positive mentoring relationships. Research shows that children who read proficiently by third grade are more likely to succeed in life. Last year H.E.L.P. teams supported almost 450 Benton Harbor students in grades 1–5 by focusing on literacy and math proficiency.

The structure of H.E.L.P. is simple. Volunteers are organized into teams of three and assigned to classrooms on an every-other-week basis. Lesson plans and classroom supplies are provided, along with transportation. As an added bonus, undergraduate H.E.L.P volunteers can earn up to fifteen co-curricular credits per semester for their training and service.

Each week teams provide opportunities for improved vocabulary, word recognition and comprehension skills, while reinforcing positive values. Better test scores and classroom conduct have already been observed. As volunteers boost learning outcomes and impact the lives of students, they too experience growth by gaining new skills and insights.

Are ready to commit to the cause? We invite you to join our team. As you partner with teachers, parents and administrators, you will build relationships, create engaging learning experiences and transform the lives of boys and girls.

H.E.L.P. volunteers are agents of social change! Go www.facebook.com/wearehelp.au/
