# Tuition Assistance Benefit - Questions

- Are you aware of AU's tuition assistance benefit?
- Do you or have you ever used the tuition assistance benefit? If so, towards what goal? (e.g., personal development, professional development, degree completion, second degree, etc.?)
- Does your spouse or has your spouse ever used the tuition assistance benefit? If so, towards what goal? (personal development, professional development, degree completion, second degree, etc.?)
- How important was this benefit to your employment decision at AU?
- Would a change in the benefit, from 4 credits to 6 credits, impact you positively, negatively, or not at all?
- What positive and/or negative implications might this have for you in the workplace?
- Do you have any alternative recommendations for how the benefit might be improved?
- Any other comments and observations are welcome!
