2000	1500	1000	500	AD31	AD400	AD600 ---> 1000	1200
1. Abraham (**Theism**) 2. **Hinduism** (Asia)	Moses	David--->	Exile	Jesus	**Augustine**	Islam	Europe in turmoil Dark ages Education disappears **Only Cathedral schools** **--where educ is platonic**	1. Crusades 2. Rise of Universities **3. Thomas Aquinas baptises Aristotle's realism** **--use of reason and logic** --although small leap of faith required as not everything from general revelation--but most

Homer---> Greek golden age

Socrates-death by poisoning
happy to join world of ideas
--Plato: Idealism
--Aristotle: Realism

Baptises plato's idealism
Neo-platonism
Builds doctrine for middle ages
-Purgatory
-Infant baptism
-Original sin

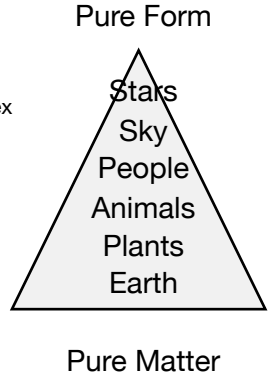
Buddhism

Idealism:

-understand real world of ideas from shadows by intuition back to "real" world
-plato's cave--idea is what's real

Realism

--Not two worlds but one integrated pyramid
--Consists of pure matter at base, and pure form at apex
--Move upwards by reason and logic
--Pure form has no matter
--3 Souls:
- Vegetable
- Animal
- Rational: cant's chop up--immortal



Sacred Canopy--one system until reformation. After reformation, canopy splits. With postmodernism, 6.5 billion splits!

1300	**1400**	**1500**	**1600**	**1700**	**1800**
		<---- What is real	What is true? ------->		What is valuable?------>
		<---------- THEISM	DEISM---------->		
Renaissance	Early Modern Era	Reformation	Age of Enlightenment	Age of reason	Lberalism
Occam: separated faith and reason		Began with priesthood of believers	**Descartes** "first original thinker after Aristotle"	Voltaire	Optimism
Language does not create reality		Returned to national church after revolt	I think, therefore I am--I reason from me out	French revolution	Revolutions
but symbolises reality			Leads to Xian Existentialism	Rouseau writes The Emile	Intellectually fulfilled atheist
Rely on scientific method				on education--natural learning	Darwin 1859
				Newton	Nietzsche Kierkegaad
