The Doctor of Ministry Program Adds a Project Coach!

Elder Kenley Hall has accepted the position of the Project Coach for the Doctor of Ministry program at Andrews University. He comes to us from central California, where he has served as a pastor. We are pleased to welcome him to the Andrews community, where he has enthusiastically added this coaching challenge to his other responsibilities in serving in various capacities at the Seminary.

Ken has already begun his task of initiating coaching conversations with those in their second year and beyond in the program, providing support as program participants move through their project work, from formally submitting the project proposal to preparing for defense. Participants may expect a call from Elder Hall, but don't hesitate to call him! His office phone number is **269-471-6366**.
