Prepare Now for Summer Semester Registration

Your program needs will be best served if your registration can be entered on time, at the beginning of the semester. This is especially important if you have a student loan you need to keep in deferred status. Make sure you have no delays! Check now to make sure you have no holds preventing your summer registration. Call Vicki Thompson at Student Financial Services, 1-269-471-6995, vlt@andrews.edu.

Health Care Chaplaincy Cohort Launches at Loma Linda

The first cohort specializing in health care chaplaincy met at the Loma Linda University campus in the last half of February.

The twenty-five participants come from nine states across the U.S.—Vermont to Hawaii—and from some countries of the African continent including Ghana and Nigeria.

The Doctor of Ministry Cohort Model

The Andrews Doctor of Ministry program is delivered only in a cohort configuration within a chosen concentration. The cohort is the group of participants you go through the program with. Be certain to clear all intensive dates for the four-year program given for your cohort as you begin. You will develop relationships, experience relational learning, receive support, and experience accountability from your cohort. **Remember that all intensives within the modules of your cohort are required.**

South Africa-Indian Ocean Cohort

During the recent February-March intensives at the campus of Helderberg College in Cape, South Africa, the cohort enjoyed an outing on a sunny summer day. Dr. Skip Bell returned this year to teach the intensive for the Advanced Leadership Competencies course module.

During this year's session, the group entertained visitors representing the Association of Theological Schools, the accrediting body for the Theological Seminary.
