## DOCTOR OF MINISTRY

June 2013

### New Concentration: Organizational Leadership

With the first cohort launching in early 2014, a new concentration is offered especially for church organizational leaders such as presidents, vice-presidents for administration, departmental directors and coordinators. Doctoral projects will require a current ministry context in such areas of responsibility.

The cohort launches with an intensive in Southeastern California starting on January 21, 2014. The application deadline is **November 26, 2013**.

Among the guest presenters for this cohort will be **Dr. Nick Howard**, a clinical psychologist from Plainfield, Illinois and alumnus of Wheaton College Graduate School.

Dr. Howard conducts a consulting practice specializing in a biblically-based approach to leadership development, and executive and personal life coaching.

### Additional concentrations forming new cohorts in 2014:

- The [Discipleship and Biblical Spirituality](#) concentration launches a new cohort in February 2014; application deadline is **November 29, 2013**.

### DMin Conference

The annual Doctor of Ministry conference provides a venue for DMin faculty, concentration coordinators, and conference administrators to discuss issues, ideas for improvement, and factors that impact DMin education. A specific theme is chosen for each year's focus. This year's format will be a change from previous conferences—it will be done as a virtual meeting. Watch for further details to be announced soon.

### Schedule of Intensives

DMin alumni are welcome to utilize their ongoing benefit of guest attendance at any of these intensives. Call or email the DMin office to make a reservation. (Years in parenthesis identify the cohort according to the year in which it was formed.)
