## Introducing a new concentration:

Kenley Hall[d2]

### [Multiethnic/Multicultural Mission and Ministry](#)

Following Jesus' prayer that His Father's house would be called a house of prayer for all nations, the Multiethnic/Multicultural Mission and Ministry concentration is designed to develop visionary ministers and equip them with the competencies needed to lead multiethnic/multicultural churches and ministries. For most postmoderns, racial diversity should be the norm and celebrated. In order to minister effectively in the 21st century context, there is a need to develop effective models for doing multiethnic/multicultural ministry and mission.

Bruce Bauer

The primary response of the Seventh-day Adventist church to ethnic and cultural diversity has been the development of ethnic-specific churches. This response generated by the challenge posed by language-specific needs and driven by the homogenous approach to evangelism has experienced some success. However, this reality poses a potential challenge to 21st century ministry in a postmodern world.

The concentration will be coordinated by Drs. [Kenley Hall](#) and [Bruce Bauer](#). Some of the issues to be addressed are...

- The changing demography of the United States
- Postmodern and metamodern views on racial inclusivity
- The principles of racial reconciliation
- Appreciation and awareness of the personal spiritual life as foundational for mission and ministry
- Systems thinking and change theory

**The application deadline for this cohort is June 30, 2017.** First-year intensives will be September 11-2, 2017 at the [Andrews University campus](#).

All cohorts are considered full at 25 participants. Applications are considered on a first-come, first-served basis, so it's to your advantage to apply early! [See the online application](#) to start the process.

## Online registration will be available starting Fall semester!

Starting next semester, DMin participants will register themselves for courses, project credits, and continuations. It will no longer be necessary to depend on the DMin office and University staff to do it for you. Online registration or dropping a class must be completed no later than the first day of your scheduled intensive(s). More detailed instruction for enrolled participants will come soon—watch for it in your email inbox. It is expected that registration will be open sometime in July.

## DMin Excellence in Research Award

We are pleased to announce the 2016 recipient of the DMin Excellence in Research award: Dr. Allan Chichester. The recognition is comprised of a certificate and a small monetary award.

Dr. Chichester currently serves as senior pastor for the Toronto Central Seventh-day Adventist Church in Ontario, Canada. His degree was conferred in December of 2015 with a concentration in Urban Ministry. He is a member of the cohort that started in 2011.

The DMin Excellence in Research award is not the first recognition Dr. Chichester has received in connection with his DMin work. The implementation of his project, *A Strategic Marketing Plan for Community Ministries at the Toronto West Seventh-day Adventist Church*, impacted his community such that he was awarded the *Her Majesty Queen Elizabeth II Diamond Jubilee Medal* by the

Government of Canada. This was in recognition of the service he and his church members provided in the community of Etobicoke North in Toronto. He was nominated for

the medal by the Member of Parliament for Etobicoke North, Dr. Kirsty Duncan, who personally conferred the recognition at a special award ceremony. Congratulations, Dr. Chichester!

### Important reminder for non-U.S. citizens

The Doctor of Ministry program serves the world church. Participants who are not United States citizens or permanent residents must make sure their immigration/travel documents are in order before traveling to the United States **each year** for intensives. A current I-20 document is issued by Andrews at the student's initiative and must be renewed for each year's trip; and, usually, a student visa is also required. **DO NOT ARRIVE WITH A VISITORS VISA! AND DO NOT ARRIVE WITHOUT YOUR CURRENT I-20!** Upon arrival at your intensive venue, your I-20 must be checked in with the Student Financial Services office ([see detailed instructions](#)). Stay in close communication with the Andrews International Student Services office, and start preparations several months in advance of each year's intensive. Contact that office at [iss@andrews.edu](mailto:iss@andrews.edu).
