

**Andrews University Doctor of Ministry Health Care Chaplaincy  
CHMN 787 Theory & Research in Chaplaincy—Intensive March two first Week April 1- 10, 2019  
Florida Conference of Seventh-day Adventist Churches, Altamonte Springs, Florida  
Required Reading During Intensive and / or before:**

*Swinton, John, & Mowat, Harriet. <i>Practical Theology and Qualitative Research</i> . SCM Press, 2006. ISBN: 0334029805 Amazon Kindle price \$15.30.	Dates and Report Due in Moodle's Course Shell
Part 1. Theoretical foundations.	
What is practical theology?	
What is qualitative research?	April 3
Practical theology and qualitative research methods	
Part 2. The practice of research.	
Researching personal experience : depression and spirituality	
Researching a local church : exploring an 'emergent church'	April 4
Researching ministry : what do chaplains do?	
Researching pastoral issues : religious communities and suicide	
Participatory research : researching with marginalized people.	April 5
Conclusion: Practical Theology as action research	
You will: Write a five pages report detailing three things: (a) What you learned about research theory; (b) What you learned about research practice; (c) The main three ideas and how they fit with your own practice and DMin project.	

**\*\*Three Articles from Chaplaincy Reading Pdf provided: You will: Students choose whichever three articles they like. They can also use other articles of peered reviewed chaplaincy related journals. Answer the questions: How is this research a part of my practice? What is new or different? How does it fit with my previous knowledge, or not fit? What am I planning to do about it? Five pages paper.**

\*\* Student Report will be based on the three articles that you read and the reports prepared for Jon Swinton's book as described and agreed in class.
