FOR ORGANIZATIONAL LEADERS

This concentration is limited to—and especially for—organizational leaders such as conference, union, division and general conference officers, ministerial and other directors.

HOW IS THE PROGRAM ORGANIZED?

Each of the year-long study modules includes a teaching intensive. During the program you will participate in regional work groups, develop a context support group, establish a mentoring relationship, read and reflect on the best literature in the field, as well as develop and evaluate a professional project within the context of your own leadership responsibilities.

WHAT IS IT?

The Organizational Leadership concentration provides a 'ministry-embedded' integration of theory and practice within a biblical theology of leadership.

WHEN DOES IT BEGIN?

The teaching intensives for the first module will be January 21-February 10, 2014.

WHERE WILL THE INTENSIVES BE HELD?

- The first, third, and fourth-year intensives will be at the Southeastern California Conference office, Riverside, California.
- Intensives will be on the campus of Andrews University in the second year.

HOW WILL THE PROGRAM CHANGE YOU AND YOUR MINISTRY?

The Organizational Leadership concentration seeks to develop the person, knowledge and practice of its participants.

- You will engage in a learning process aimed at enhancing your personal spirituality, enriching your personal life, and improving your professional relationships through an expanding awareness of what God has called you to be.
- You will develop an advanced understanding of sound theological and theoretical foundations that support Christian leadership and how those foundations contribute to responsible ministry for the worldwide church.

- You will be challenged to model Christ-like ministry and demonstrate the ability to effectively contribute to the mission of the church by wise and competent application of leadership theology and theory to practical and innovative solutions for organizational leadership challenges.
