

**Andrews University
Seventh-day Adventist Theological Seminary**

**Doctor of Ministry Program
Organizational Leadership Concentration
2017 Cohort**

**Schedule for First Module
CHMN747 Christian Leadership
February 6-15, 2017 Riverside, California
The Project Seminar Follows on February 16-22, 2017**

The following **program learning outcomes** reflect the intended impact of the Doctor of Ministry Program:

1. Critically reflect on, articulate, and apply biblically based principles and values for excellence in mission and ministry.
2. Conduct research and implement an intervention in response to ministry challenges and trends in a “global” context, related to the primary field of service.
3. Integrate knowledge and skills acquired into an effective ministry practice and evaluate the resultant impact on one’s personal experience and ministry.

Organizational leadership concentration outcomes

1. Competently apply biblical principles to the organizational leadership context (Case Study; Reading Reflections; Ministry Development Plan; Chapter 2 of Project Document)
2. Integrate theory and practice in dealing with the challenges confronted in diverse ministry contexts (Project Document; Oral Assessment; Ministry Development Plan)
3. Evaluate the effectiveness achieved in the application of theory and practice to ministry (Project Document)
