DETAILS FOR REQUIREMENTS DURING COURSE INTENSIVE

1. **Attendance:** Spiritual growth involves the mastery of basic concepts such as prayer, Bible study, worship, etc., participation with fellow believers in corporate fellowship, and the practice of personal spiritual disciplines. The class time provides opportunity for concept mastery and corporate fellowship. Therefore, regular attendance is a primary course requirement.
2. Attend and participate in all scheduled classes. Work on project which may be assigned.
3. **Spiritual Retreat:** In order to introduce students to the value of spiritual retreat, discipleship, small groups, and bonding to like-minded spiritual pilgrims, all students are required to take part in a one day spiritual retreat. This class cannot be passed unless there is full participation in the retreat. Details of the retreat will be furnished in a separate document. The date for the retreat will be announced later and will be all day. **There will be no excuse for missing the retreat. If you fail to come or come in late, you will have to drop the class.**
4. **Small Groups:** As part of spiritual growth we need community. Every student will participate in small groups throughout the week and hopefully beyond the class. The small groups will meet during class time. During this time you will be engaged in prayer, study of the Word, accountability, and other exercises that the professor might assign. **The student is to submit a short report indicating that s/he has done so and the spiritual benefits gained from it. Due December 14, 2017.**
5. The students must take full notes and submit them to the instructor in the CD portfolio. **Due December 14, 2017.**

POST-INTENSIVE COURSE REQUIREMENT DETAILS

- 1. Practice of the Devotional Life:** The student will spend 3 hours each week (1/2 hour each day) in the practice of spiritual disciplines spread over 6 days. Factors that should be kept in mind are:

You are free to complete the 3 hours doing whatever devotional things you like, such as Bible reading, prayer, etc., which you find valuable. Your class reading will give you some new ideas, but it does not count as devotional time. This is a wonderful opportunity to experiment with new ways of meeting God. Since prayer and Bible reading is so crucial for the Christian, we urge that students try to spend at least 3 to 4 hours weekly in prayer and Bible study.

Unless there is some special reason for change, the 3-hour time period should be spread out over at least six days during the week.

At the beginning of each week, you should decide what your specific daily plan is for each time you have devotions that week and write it down.

You should keep a careful log of your time with God. A sheet is provided for you at the end of this syllabus. Make sure for each devotional time you have, you record:

- a) Date, i.e., month and day
- b) Time (duration), i.e., 7:00 a.m. – 7:45 a.m.
- c) A brief 1-2 sentence summary of how things went. Did you follow your plan?
- d) At the end of the week the total time spent must be calculated and recorded.

Include all these reports on the CD portfolio to be turned in on **December 14, 2017.**

NOTE: While for some it may seem a bit artificial to keep track of devotional time, it helps us stay honest with ourselves and God and, in the end, and most students thank us for the experience. Keeping such records is a time-honored practice devoted Christians have often followed.

- 2. Reading Reports:** Please read the required books listed and write weekly reports. Please include a summary of what you read, a positive reaction, a negative reaction, and an application to your personal life. Include all the book reports on the CD portfolio to be turned in on **December 14, 2017.**
- 3. Fasting:** every student is to fast for one day from food or TV or Facebook and write a one-page report on it evaluating the experience. **The due date is December 14, 2017.**
- 4. Reflection Paper:** Each student is to write an 8-9 page reflection paper covering three subjects:
 - a) The first part is to synthesize your spiritual experience from July 2017 to November 2017. In what ways have you grown spiritually? What have you learned about yourself during this time? What you have learned about God? This section is to be 2-3 pages in length, typed, and double-spaced.
 - b) The second part is to give a full treatment of your Core Values and Worldview. This section is to be 2-3 pages in length, typed, and double-spaced. See class materials.

- c) The third section is to give an in-depth treatment of your vision for the future. What is your plan to grow spiritually? This section is to be 2-3 pages in length, typed, and double-spaced. The paper needs to be included on the CD portfolio, due on **December 14, 2017.**
5. **Assignments due dates: the reading reports and the spiritual discipline reports must be handed in at the end of the semester in a CD or note book portfolio and handed in to the teacher no later than December 14, 2017.**
6. **Portfolio Notebook:** There will be no final exam. A CD portfolio containing all class notes, reading reports, small group reports, weekly reading reports, the fasting report, the devotional reports, retreat reports, and reflection paper will be in place of a final. Also include the Assignment Breakdown. This should be submitted to the instructor by **December 14, 2017.** Grades will be given based on neatness, order, and completeness. Notebooks should contain all material passed out in class, and all the student's notes and completed assignments. Be sure to include material from the retreat.

CLASS POLICIES

Academic Integrity

“In harmony with the mission statement (p.18), Andrews University expects that students will demonstrate the ability to think clearly for themselves and exhibit personal and moral integrity in every sphere of life. Thus, students are expected to display honesty in all academic matters.

Academic dishonesty includes (but is not limited to) the following acts: falsifying official documents; plagiarizing, which includes copying others’ published work, and/or failing to give credit properly to other authors and creators; misusing copyrighted material and/or violating licensing agreements (actions that may result in legal action in addition to disciplinary action taken by the University); using media from any source or medium, including the Internet (e.g., print, visual images, music) with the intent to mislead, deceive or defraud; presenting another’s work as one’s own (e.g. placement exams, homework, assignments); using material during a quiz or examination other than those specifically allowed by the teacher or program; stealing, accepting, or studying from stolen quizzes or examination materials; copying from another student during a regular or take-home test or quiz; assisting another in acts of academic dishonesty (e.g., falsifying attendance records, providing unauthorized course materials).

Andrews University takes seriously all acts of academic dishonesty. Such acts as described above are subject to incremental discipline for multiple offenses and severe penalties for some offenses. These acts are tracked in the office of the Provost. Repeated and/or flagrant offenses will be referred to the Committee for Academic Integrity for recommendations on further penalties. Consequences may include denial of admission, revocation of admission, warning from a teacher with or without formal documentation, warning from a chair or academic dean with formal documentation, receipt of a reduced or failing grade with or without notation of the reason on the transcript, suspension or dismissal from the course, suspension or dismissal from the program, expulsion from the university, or degree cancellation. Disciplinary action may be retroactive if academic dishonesty becomes apparent after the student leaves the course, program or university.

Departments or faculty members may publish additional, perhaps more stringent, penalties for academic dishonesty in specific programs or courses.” (*Current AU Bulletin.*)

Class Absences

“Whenever the number of absences exceeds 20% (10% for graduate classes) of the total course appointments, the teacher may give a failing grade. Merely being absent from campus does not exempt the student from this policy. Absences recorded because of late registration, suspension, and early/late vacation leaves are not excused. The class work missed may be made up only if the teacher allows. Three tardies are equal to one absence.

Registered students are considered class members until they file a Change of Registration form in the Office of Academic records.” (*Current AU Bulletin.*)

Class Attendance

“Regular attendance at all classes, laboratories and other academic appointments is required for each student. Faculty members are expected to keep regular attendance records. Whenever the number of absences exceeds 10% of the total course appointments, the teacher may give a failing grade. Merely being absent from campus does not exempt the student from this policy. Absences recorded because of late registration, suspension, and early/late vacation leaves are not excused. The class work missed may be made up only if the teacher allows. Three tardies are equal to one absence.” *Current AU Bulletin.*)

Disability Accommodations

If you qualify for accommodations under the American Disabilities Act, please see the instructor as soon as possible for referral and assistance in arranging such accommodations.

Excused Absence

“Excuses for absences due to illness are granted by the teacher. Proof of illness is required. Residence hall students are required to see a nurse on the first day of any illness which interferes with class attendance. Non-residence hall students should show written verification of illness obtained from their own physician. Excuses for absences not due to illness are issued directly to the dean’s office. Excused absences do not remove the student’s responsibility to complete all requirements of a course. Class work is made up by permission of the teacher.” (*Current AU Bulletin.*)

Language and Grammar

There is an expectation that a student enrolled in a graduate program possesses advanced written language skills, particularly in the language in which the degree is acquired. Thus, no special consideration will be given to English as a second language learners or native-English speakers who have yet to obtain mastery in written English. Such students are advised to seek the assistance of the campus writing lab or procure the services of an editor prior to the submission of their assignments. *Tips for success* include reading your assignments aloud and having someone else do likewise prior to submission. This practice will provide you with immediate feedback on your written assignments.

Late Submission of Assessment

All late assessment will incur a 10% per week penalty.

Teacher Tardiness

“Teachers have the responsibility of getting to class on time. If a teacher is detained and will be late, the teacher must send a message to the class with directions. If after 10 minutes no message has been received, students may leave without penalty. If teacher tardiness persists, students have the right to notify the department chair, or if the teacher is the department chair, to notify the dean.” (*Current AU Bulletin.*)
