#### BULLETIN DESCRIPTION OF COURSE

The assembling of archaeological and ancient textual material which, interpreted from the philosophical viewpoint of the Bible, emphasizes the accuracy and authenticity of the Scripture. A study of cultures, customs, languages, and rituals that throw light on the statements of God's Word.

## PROGRAM & COURSE LEARNING OUTCOMES

The following **Course Learning Outcomes** contribute to the overall Program Learning Outcomes by identifying the key learnings to be achieved by diligent work in this course:

1. To understand and explain the archaeological backgrounds of biblical persons, events, customs, and places.
2. To understand and explain how archaeology interacts with the Bible and how it continues to illuminate our understanding of the Written Word.
3. To understand and explain the major principles used in the past to interpret the archaeological data and acquaint students with different methodologies used during excavations.
4. To know and use the resources which will increase awareness of the cultures, customs, languages, and rituals that illuminate the background of the Bible.
5. To understand and demonstrate archaeology's role in relation to biblical studies and to discriminate between legitimate uses of archaeology and claims made for archaeology which exceed its proper use.

## MORE ABOUT THE COURSE

### TIME EXPECTATIONS FOR THE COURSE

#### US Credit-Hour Regulations

For every semester credit, the Andrews University credit hour definition requires that:

**Courses for professional masters' degrees (e.g. MDiv)** include 15 instructor contact hours and 30 hours of independent learning activities.

**The calculation of hours is based on the study skills of the average well-prepared graduate student.**

Students weak in these skills:

- 1) may require more time and should consider taking fewer classes each semester; and
- 2) can find skill development assistance through the Seminary Study and Research Skills Colloquia, the AU Writing Center, and AU Student Success office.

In order to achieve the outcomes of this course, learning time will be distributed as follows:

Professional Masters' Programs		
3 Credits		
<b>Instructor Contact Hours</b>	<b>Face to Face Instructional Time</b>	35 hrs
	<b>Other Instructor-Directed Activities</b>	10 hrs
<b>Independent Learning Activities</b>	<b>Reading</b>	65 hrs
	<b>Written Reports/Powerpoints</b>	8 hrs
	<b>Sermons</b>	17 hrs
<b>Total Hours:</b>		<b>135 hours</b>

### GUIDELINES FOR COURSE ASSIGNMENTS

Grades are based on the independent learning activities below which provide practice toward, and assessment of, the learning outcomes of this course. The grade weighting for each assignment is provided in the right-hand column. Specific due dates are given in the Course Overview above.

Assignment Description	Weighting
1. Projects	40%
2. Sermons	40%
3. Class Participation	20%
<b>Total</b>	<b>100%</b>

\* For grading rubrics that specify grading criteria in more detail, see Appendices.

In order to make grading fair for everyone, grades will be assigned on the basis of the above requirements alone. No individual arrangements will be made for those requesting last minute grade adjustment or extra credit.

### **Class Attendance**

Students are required to be physically present on every class period of the course. Attendance is required because much of the learning process takes place in the classroom (see, Seminary Bulletin). Absence, tardiness, and non-participation in class discussions will negatively reflect on final grade. Active and positive class participation will enhance your academic success.

### **Passing Grades**

Students must have 65% of all class assignments to pass the course.

### **Submission of Assignments**

All projects must be submitted before or on **April 30, 2020**.

### **Late Submission**

Late submission is not possible.

## OTHER COURSE-RELATED POLICIES

### **Attendance**

Regular attendance is required at all classes and other academic appointments. When the total number of absences exceeds 10% of the total course appointments, the teacher may assign a failing grade. Merely being absent from campus does not exempt the student from this policy. Absences recorded because of late registration, suspension, and early/late vacation leaves are not excused. The class work missed may be made up only if the teacher allows. Three tardies are equal to one absence.

### **Academic Integrity**

The Seminary expects its students to exhibit rigorous moral integrity appropriate to ministry leaders representing Jesus Christ. Complete honesty in academic matters is a vital component of such integrity. Any breach of academic integrity in this class is subject to discipline. Consequences may include receipt of a reduced or failing grade, suspension or dismissal from the course, suspension or dismissal from the program, expulsion from the university, or degree cancellation. Disciplinary action may be retroactive if academic dishonesty becomes apparent after the student leaves the course, program or university. A record of academic integrity violations is maintained by the University Student Academic Integrity Council. Repeated and/or flagrant offenses will be referred to an Academic Integrity Panel for recommendations on further penalties.

Academic Dishonesty includes:

- Plagiarism in which one fails to give credit every time use is made of another person's ideas or exact words, whether in a formal paper or in submitted notes or assignments. Credit is to be given by use of:
  - Correctly designed and inserted footnotes each time one makes use of another individual's research and/or ideas; and
  - Quotation marks placed around any exact phrases or sentences (3 or more words) taken from the text or speech of another individual.
- Presenting another's work as one's own (e.g., placement exams, homework assignments);
- Using materials during a quiz or examination other than those explicitly allowed by the teacher or program;
- Stealing, accepting, or studying from stolen quizzes or examination materials;
- Copying from another student during a regular or take-home test or quiz;
- Assisting another in acts of academic dishonesty
- Submitting the same work or major portions thereof, without permission from the instructors, to satisfy the requirements of more than one course.

### PASSAGE

Mark 15: 22 *And they brought Him to the place Golgotha, which is translated, Place of a Skull. And they tried to give Him wine mixed with myrrh; but He did not take it. And they crucified Him, and divided up His garments among themselves, casting lots for them, to decide what each should take.*

### ARCHAEOLOGICAL CONNECTION

The bones of a man identified on the ossuary as “Yehohanan, son of Hagakol” were discovered in a tomb north of the Old City of Jerusalem. The bones of the feet were still pierced by an iron nail, indicating that the man had been crucified.

### BIBLIOGRAPHICAL SOURCES

### USE OF THE INFORMATION

The remains of Jehohanan do more than simply confirm that crucifixion was a form of capital punishment practiced during the days of Jesus. They also shed light on the method of crucifixion, a subject the gospels do not elaborate on. The feet were placed on either side of the main beam of the cross, and an iron nail driven through the ankle into the cross. The arm bones showed abrasion marks, indicating that the nails pierced the arm prior to the wrist, rather than piercing the palm of the hand. Disks or “washers” made of olive-wood were placed between the head of the nail and the body to prevent the victim from pulling loose.

## APPENDIX 2: INTERPRETING LETTER GRADES

### Letter Grades and Percentages

95-100%	A	80-84%	B	65-69%	C
90-94%	A-	75-79%	B-	60-64%	C-
85-89%	B+	70-74%	C+	55-59%	D

#### ***THE A GRADE***

An A grade is given only when a student not only fulfills the criteria for a B grade, but in doing so demonstrates an advanced academic aptitude for content knowledge, critique, synthesis and independent insight, while exhibiting highly developed communication skills and professional publication standards that would allow them to pursue a highly competitive academic career.

#### ***THE B GRADE***

The B grade is a sign that you have competently fulfilled all of the requirements stipulated for an assessment or competency evaluation. It is a very good grade and demonstrates a high level of the knowledge, insight, critical competence and professional presentation standards essential for an individual wishing to pursue a career as a professional leader in ministry.

#### ***THE C GRADE***

The C grade differs only from a B grade in that the traits outlined in the B grade above are not consistently applied. However, with diligence and by applying feedback from your lecturer, the academic process can provide opportunity for a student to improve their consistency, and hence, their grade.

#### ***THE D GRADE***

The D grade points to a limited level of knowledge, insight, and critique, as well as to inadequate quality of written work. This may be because of a lack of time management on the part of the student, difficulty grasping the concepts being taught, use of English as a second language, or a personal issue that is affecting one's concentration and motivation levels. Again, with diligence, applying feedback from your lecturer, and seeking services offered by the University like the writing lab or the counseling center, the academic process can provide an opportunity for a student to significantly improve their performance.

#### ***THE F GRADE***

A failing grade is given when very limited or no demonstrable competency has been observed.
