## ATTENDANCE

*(adapted from the AU bulletin)*

Regular attendance is required at all classes and other academic appointments. When the total number of absences exceeds 10% of the total course appointments, the teacher may assign a failing grade. Merely being absent from campus does not exempt the student from this policy. Absences recorded because of late registration, suspension, and early/late vacation leaves are not excused. The class work missed may be made up only if the teacher allows. Three tardies are equal to one absence.

### **4. Book Reading Paper, *The Music Architect*, by Constance Cherry:**

(SLO 1-2, 4-5; MAPM PO 1-3, 5-6; MDiv PO 3-4)

Read Constance Cherry's book, *The Music Architect* (268 pp).

Write a two-page Reflection: Summarizing your critical evaluation of the reading, giving three major insights you will apply to your ministry.

Grading Criteria:

- Summary, evaluation, 3 insights, 2 pages.

## 5. **Worship Planning Project:**

(SLO 2-3, 5-6; MAPM PO 1-6, 4; MDiv PO 4)

Students will plan, execute, and reflect on a worship service. The worship service may be conducted for a Sabbath service (ideally), a vespers, small group, or on social media.

**During the Intensive, each student MUST set up a consultation time with the instructor regarding the project.**

This assignment consists of 5 parts:

1. **Worship Order:** This document must include the location, date, time, platform leaders, praise team members, sequence, sequence timing, elements of the service, microphone needs, and special notes for each element. This is to be the internal document to be used by the platform leaders, AV, and praise team. Include all names of worship leaders, elders, pastors, etc. involved in the service at their respective location in the service. Students must follow the Excel template given by the professor. This document MUST fit on ONE landscape printed page. Submit as a PDF.
2. **Theological and Practical Rationale:**
  - a. In a separate document write up the description and the theological and practical rationale, giving reference to course material. Give a rationale for the order of worship, and each element of the service. Briefly describe the words, sounds, actions, gestures, and visual aspects involved in each element of the worship service order. Give reasons for your choices given the pastoral issues of the people involved as well as the theological material addressed in the course.
  - b. You will be graded on how you creatively incorporate the five-fold biblical pattern of the Sanctuary in the worship service. Give a rationale for the selection of all songs and scripture readings. Pay special attention to the way that each facet of worship (preaching, music, Scripture, symbol, gesture, order of service, etc.) reflects and embodies Adventist Christian beliefs.
  - c. A rationale must be given for the macro theology governing the entire service, the theme for the service, as well as each facet of the service (preaching, music, Scripture, symbol, gesture, order of service, etc.). Students must give evidence of the particular topic/themes for the given service, creatively integrating the broader theology of the service with the particulars for the day. Students must creatively incorporate the biblical model for liturgy and worship, as discussed in class, for full credit.
  - d. Include in the rationale the manuscript for prayers, transitions, etc. Worship leaders do not have to read word-for-word, but writing this out will help ensure preparedness in for worship. These words may be written by the student pastor and given to the worship leaders as ideas or suggestions for their role.
  - e. This document is about 4-6 pages.
  - f. See example on LearningHub.

**Students may email their Schedule and Rationale in advance to the professor for dialogue, help, and support.**

3. **Video Clip (portions, 5-10 minutes max)**

Provide a Youtube link (in Rationale/Feedback document) with a portion or portions of the service you would like feedback on. Include only 5-10 minutes, max.

4. **Pastor/Elder Evaluation**

Student will receive feedback and evaluation of the service from a pastor, elder, church member, or even a classmate.

Evaluation form available on LearningHub.

**SCAN** this document and add it to your file for submission.

5. **Reflection:** Include a short reflection of **2 pages** on how you felt the service went, what you would do differently, and how your congregation received the worship experience. The Reflection must be written after the worship service is conducted.

**IMPORTANT:** Please combine **ALL** documents into **ONE PDF** and submit as one document. **PLEASE** see grading Rubric to aid in the completion of this project.

6. **Worship Reflection Paper**

This experience consists of the student's personal attendance and presence at an entire service, giving a reflection of a liturgy outside the Adventist tradition. The paper must be based on a participant observation at a Christian liturgy. Past experiences will not be accepted. If a student is unable to attend the field trip, the student may attend a liturgy at one of the following traditions: Anglican, Disciples of Christ, Episcopalian, Greek Orthodox, Mennonite, Pentecostal, Quaker, Lutheran or Roman Catholic. Students who wish to attend a liturgy in a tradition not listed above need to request permission from the instructor.

You are not required to fully participate in the service, but you must be present during the entire liturgy. Remember to be a respectful guest. If you do take notes during the service, be discreet so as to avoid distracting other worshipers.

**During the Intensive, the class will watch a worship service to fulfill this assignment.**

Reflection (2-3 pages): Briefly answer the following (4) reflection questions:

1. What one aspect of the liturgy did you most appreciate?
2. Based on the reading you have done for this course, what is one way that the congregation might more clearly reflect their beliefs in the way they worship?
3. What is one insight you have gained from your reading that this participant observation helped you to more fully understand?
4. How might this experience change the questions you will ask about the liturgy in your own congregation?

7. **Objective Exam:**

Objective Exam takes place on Learninghub, open from 12:00 am to 11:59 pm, the day of the exam. The exam tests the student on the content of the lectures. It features multiple choice, simple answer, and true and false.

## 8. Final Exam:

The final exam consists of two take home essays. Students are encouraged to develop these essays over the course of the semester. Each essay must be between 300–500 words.

1. Discuss the interrelatedness of the sanctuary, Scripture, the Trinity, and the Christian experience of God’s presence in worship.
2. Discuss the issue of morality and music, exploring the three approaches, giving your position on the topic.

### **AU Incomplete Policy**

*“An Incomplete (I) indicates that the student’s work is incomplete because of illness or unavoidable circumstances and not because of negligence or inferior performance. Students will be charged an incomplete fee for each incomplete grade issued.” DGs are not an option for most types of courses.*

### **Criteria for Grades**

- Critical engagement with course material. Demonstrate that you have critically read the required reading and have thoughtfully processed classroom lectures and discussions. You can only be graded on knowledge that is apparent in the assessments you submit.
- Creative integration of course material and ministry praxis. Provide evidence that you understand the relationship between course material and your worship ministry practices. Apply theoretical and theological material in a way that indicates pastoral sensitivity regarding the people you serve in a given context.
- Excellent language and grammar. Such students are advised to seek assistance from Andrews University’s writing lab or secure the services of a professional academic editor prior to the submission of their assessment.
- Evidence of focused and thorough attention to assignment guidelines. Be sure to follow the guidelines provided and answer the questions asked. **You cannot receive credit for writing that does not contribute, in a focused way, to the assignment.**

### **Paper Standards**

- **All papers must be submitted electronically.**
- **Font:** All type-written assignments must be in Times New Roman font, 12 pt, Double-spaced.
- **Papers must be submitted in MS Word (.docx) format or Portable Document Format (PDF).** The Worship Schedule and the Reading/Viewing Logs require the PDF format.

your email will verify that you contacted the instructor. When Learning Hub comes available again, you can submit your assignment without penalty.

### **Late Submission**

- Because student assignments are an essential part of class activities, assignments turned in after the time they are due will incur a loss of 10% per day. Any requests for extra time on an assignment must be made in advance with the professor. Such requests should be a rarity and should be accompanied by a valid reason why the work could not be done by the date due.

## APPENDIX 1: INTERPRETING LETTER GRADES

### Letter Grades and Percentages

*Insert the grade scale used for this course. For example:*

93-100%	A	83-86%	B	73-76%	C
90-93%	A-	80-82%	B-	70-72%	C-
87-89%	B+	77-79%	C+	60-69%	D

#### **THE B GRADE**

The B grade is a sign that you have competently fulfilled all of the requirements stipulated for an assessment or competency evaluation. It is a very good grade and demonstrates a high level of the knowledge, insight, critical competence and professional presentation standards essential for an individual wishing to pursue a career as a professional leader in ministry.

#### **THE A GRADE**

An A grade is given only when a student not only fulfills the criteria for a B grade, but in doing so demonstrates an advanced academic aptitude for content knowledge, critique, synthesis and independent insight, while exhibiting highly developed communication skills and professional publication standards that would allow them to pursue a highly competitive academic career.

#### **THE C GRADE**

The C grade differs only from a B grade in that the traits outlined in the B grade above are not consistently applied. However, with diligence and by applying feedback from your lecturer, the academic process can provide opportunity for a student to improve their consistency, and hence, their grade.

#### **THE D GRADE**

The D grade points to a limited level of knowledge, insight, and critique, as well as to inadequate quality of written work. This may be because of a lack of time management on the part of the student, difficulty grasping the concepts being taught, use of English as a second language, or a personal issue that is affecting one's concentration and motivation levels. Again, with diligence, applying feedback from your lecturer, and seeking services offered by the University like the writing lab or the counseling center, the academic process can provide an opportunity for a student to significantly improve their performance.

#### **THE F GRADE**

A failing grade is given when very limited or no demonstrable competency has been observed.
