MA in PASTORAL MINISTRY | NEWSLETTER | APR 2021

This year, April includes the celebration of the Resurrection. May the great truth of what that means for our lives individually and the lives of those we serve, be reflected in your ministry and in your study as you wrap up Spring semester.

The plan for the Fall semester is that all our intensives will be in-person at our sites across the United States and Canada. Hope to see you then. EK

In Class while InMinistry.
