Providers will access the trainings in the Michigan Registry (developed by Michigan Department of Education) at [www.miregistry.org](http://www.miregistry.org).

- Go to [www.miregistry.org](http://www.miregistry.org)
- Click on Search Training
- Enter Health & Safety Training for Licensed Child Care Providers in the Keywords box

### **Do I have to complete each course in one sitting?**

If you leave the course before completing all content, make sure to close the module by clicking the blue X on the upper right-hand side of your screen, so that your progress is saved. Leaving the course open while away from your device may cause an interruption that will require you to restart from the beginning.

### **How will I document completion of these online trainings?**

Evidence of completion will be recorded and stored on an individual's learning record in MiRegistry.
