The Crayon Box Children's Learning Center Policy on Abuse and Neglect.

All employees and volunteers (including minors) of a child care centers are mandated reporters. Under the Child Protection Law, center employees and volunteers must contact Children's Protective Services

(CPS) **immediately** when they suspect child abuse and/or neglect. The immediate verbal report must be made to Centralized Intake by calling (855) 444-3911. The verbal report must be followed by a written report.

The written report must be submitted within 72 hours. DHHS encourages the use of the Report of Suspected or Actual Child Abuse or Neglect (DHS-3200) form which includes all the information required by the law. The written report may be faxed to (616) 977-1154 or (616) 977-1158 or emailed to DHS-CPS-CIGroup@michigan.gov. Reporting the situation to administration or other staff person does not relieve the center employee or volunteer of their mandated responsibility to report to CPS.

When child abuse and/or neglect is suspected, the center employee or volunteer needs to **only** obtain enough information to make a report. If a child starts disclosing information regarding abuse and/or neglect, the center employee/volunteer must ask **only** open-ended questions, if necessary, to determine whether a report needs to be made to CPS.

The child must not be led during the conversation. The center employee/volunteer must not attempt to conduct their own investigation either before reporting it to CPS or during the CPS investigation.

All staff and volunteers shall provide appropriate care and supervision of children at all times. All staff and volunteers shall act in a manner that is conducive to the welfare of children. All supervised volunteers shall receive a public sex offender registry (PSOR) clearance before having any contact with a child in care, including volunteers who are parents of a child in care. A copy of this clearance must be kept on file at the center. Any individual registered on the public sex offender registry (PSOR) is prohibited from having contact with any child in care,

It is the policy of the Crayon Box Andrews University Children's Learning Center to receive a public sex offender registry (PSOR) clearance for all volunteers, including parents with access to other children, before having any contact with a child in care.

The Crayon Box requires a comprehensive background check on its employees and unsupervised volunteers. For an individual who is determined ineligible by the department, The Crayon Box shall immediately do all of the following: (a) Prohibit the individual from being on the premises of the child care center. (b) Prohibit the individual from having any contact with children in care.
