

Andrews  University
Counseling & Testing Center

Dear Prospective Nursing Student,

The Nursing Department has asked the Counseling & Testing Center to assist them with their prospective majors. They have certain requirements for admission to their program and have asked us to administer the appropriate tests.

With that in mind we have developed the following simple process:

1. With our assistant test administrator, determine what tests you need to take.
2. Make appointments to take the necessary tests.

That's all! May God bless you as you pursue your career goals.

Sincerely,
Counseling & Testing Center Staff
