AI-Enhanced Features in the JWL Databases

TUESDAY
November 10, 2026

TIME
11:30 a.m. - 12:30 p.m.

LOCATION
Lincoln Room
at the Terrace Cafe

Smarter tools. Stronger research.

Join James White Library for a faculty Lunch & Learn exploring AI features in JWL databases and discovery platforms. Learn to use these tools for more efficient, effective, and comprehensive research.

Explore AI-powered search to:

- Enhance information retrieval
- Improve search precision
- Uncover relevant scholarly resources

MEET YOUR PRESENTERS

Zorislav Plantak
Systems Librarian

Terry Robertson
SDA Theological Librarian

Margaret Adeogun
Reference & Instruction Librarian

Use AI-enhanced features strategically to optimize research and discovery.
