

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to [www.asrhealthbenefits.com](http://www.asrhealthbenefits.com). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary](http://www.healthcare.gov/sbc-glossary) or call 616-957-1751 or 1-800-968-2449 to request a copy.

Important Questions	Answers	Why this Matters:
<b>What is the overall deductible?</b>	\$650/individual or \$1,300/family for services rendered by <u>in-network providers</u> , and \$3,000/individual or \$6,000/family for services rendered by <u>out-of-network providers</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes. <u>In-network preventive care</u> , most <u>in-network</u> physician exam charges (primary care, <u>urgent care</u> , <u>specialist</u> visits, telemedicine e-visits), a hospital's fee for the use of an emergency room, chiropractic care, <u>In-network</u> hearing exams, and <u>prescription drug coverage</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	The <u>out-of-pocket limits</u> for medical <u>coinsurance</u> are \$3,700/individual and \$7,400/family for services rendered by <u>in-network providers</u> , and \$5,000/individual and \$10,000/family for services rendered by <u>out-of-network providers</u> . The total <u>out-of-pocket limits</u> for medical services are \$5,350/individual and \$10,700/family, and they apply to services rendered by <u>in-network providers</u> only. These figures include the <u>deductibles</u> and the <u>coinsurance out-of-pocket limits</u> shown above as well as <u>in-network</u> medical <u>copayments</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why this Matters:
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?, cont.</b>	The <u>out-of-pocket limits</u> for prescription costs are \$1,800/individual and \$3,600/family.	
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Deductibles</u> and <u>copayments</u> on certain services are not included in the above <u>out-of-pocket limits</u> applicable to medical <u>coinsurance</u> . Services rendered by <u>out-of-network providers</u> are not included in the above total <u>out-of-pocket limits</u> for medical services. Amounts attributed to the above total <u>out-of-pocket limits</u> for medical services are not included in the <u>out-of-pocket limits</u> for prescription costs. In general, <u>out-of-pocket limits</u> do not include penalties; charges that exceed the <u>plan's usual, customary, and reasonable fee</u> allowance or are in excess of stated maximums; <u>premiums</u> ; <u>balance-billing</u> charges; and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.asrhealthbenefits.com">www.asrhealthbenefits.com</a> or call 616-957-1751 or 1-800-968-2449 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
