## Take Control of Your Prescription Costs

Empower Yourself with Informed Choice and Convenient Savings

### PRE-PRESCRIPTION TRANSPARENCY

- Discuss medication options with your doctor, using the Drex app to access real-time plan coverage details and out-of-pocket costs.
- Find the right medication at the right price before leaving your appointment.

### PERSONALIZED SAVINGS ALERTS

- Stay informed on the go! Receive mobile notifications about available clinically-approved alternatives that could save you hundreds of dollars.
- View your medication list and easily switch to cost-effective options directly within the app.

### SEAMLESS PHARMACY SWITCHING

- Never be caught off guard by network changes again. Get instant mobile alerts when pharmacies leave your covered network.
- Locate nearby participating pharmacies and transfer all your prescriptions with a single click.
