NoviXus will fill your order with an FDA-approved equivalent generic, unless otherwise indicated by your prescriber. FDA-approved generic drugs contain the same active ingredients and come in the same dosage forms as their brand-name counterparts, and must meet comparable safety, production and performance standards.

Your prescription order will be shipped using US Mail. Some items may be shipped by expedited courier. Refrigerated items are shipped in accordance with FDA and manufacturers’ specifications. For your security, some controlled substances may require a signature at delivery.

Prescriptions cannot legally be mailed from a mail order pharmacy (or any other pharmacy operating within the United States) to locations outside of the United States.
