**Current as of August 2017.**
**Online Resources**

**Vault**  
vault.andrews.edu  
Vault is the secure campus account system which contains registration, and financial information. Please access Vault to do the following:

- preVue: enrollment profile
- finVue: all financial elements
- iVue: complete student profile
- Update personal information such as email and addresses
- Check your chapel/forum attendance
- Check assignments and grades
- Request an Andrews transcript and check its status

**How to Activate Your Andrews Username**  
For Access to Vault and Registration Central  
Please visit Vault from the main Andrews website and click the “Username Activation” link. You will be prompted with instructions and sent an activation email.

---

**Registration Central (RC)**  
Registration Central is the student–geared web portal for course registration and financial clearance. To register, click Registration Central through Vault. Students will need to activate their Andrews username and contact their academic advisor to complete registration.

See “Helpful Contacts” for registration holds.

---

**Bulletin**  
bulletin@andrews.edu  
Revised yearly, the Bulletin covers information about the university and its academic units, services, programs and policies. It also includes the academic calendar.

[www.andrews.edu/academics/bulletin/](http://www.andrews.edu/academics/bulletin/)

**Course Schedule**  
courseschedule@andrews.edu  
This lists courses per term with meeting times and details. Use the Course Search Tool as the most up–to–date source:  
[www.andrews.edu/admree/registrar/classsearch/](http://www.andrews.edu/admree/registrar/classsearch/)

**Registration Forms**  
Most forms are available online under “Student Resources” at www.andrews.edu/services/registrar or may be obtained by visiting the front counter of Academic Records in the Administration Building.

**Class Conflict Form (Green Card)**  
Purpose: Pursuing classes with time conflicts.

**Drop/Add Form**  
Purpose: Making registration changes after the Drop/Add period. Needed before Drop/Add deadline for Time Conflicts, Audits and Overload.

**Independent Studies**  
Please use Registration Central to register, and use a Drop/Add form for registrations past the Drop/Add deadline. Instructor’s approval topic required.

**Manual Course Registration Form**  
Purpose: If the student is unable to register online, their advisor should print this form from Registration Central. Completed forms should be submitted with the appropriate signatures and forms for the situation.

---

**Terminology**

**Articulation**  
Determines course equivalency for classes taken previously and for class standing.

**Audit**  
A course that is taken without a grade or college credit.

**Co-Require**  
A course which must be taken simultaneously with another course.

**Pre-Requisite**  
A course which must be taken before another course.

**Online Course Registration**

**Academic Advising**  
Students should select classes with the guidance of their advisor based on their degree plan as stated in their Academic Bulletin. Students must contact their advisor in order to register.

**Process to Confirm Courses**  
Students must register courses first then financially clear. Financial clearance is based on a current statement of accounts including fees. Students must finalize all steps in Registration Central prior to making payment. When course changes are made affecting charges students must complete the Financial Plan step as needed.

**Late Registration Fee**  
Students are given a specific time period to register for the first time from the date when registration opens until the first day of classes. Students registering for the first time after the first day of classes are charged a late registration fee. Changes may be made to existing registration without a fee before the Drop/Add deadline.

Please refer to current Academic Bulletin for current fees.

**Waitlisted Courses**  
Waitlisting is a feature available on select Undergraduate courses within the College of Arts and Sciences. When a waitlisted course reaches its capacity the student can then choose to be added to the waitlist by selecting Wait List from the Action pulldown and clicking on the Submit Changes button.
