

COVID-19

BUILDING SAFETY

Practice Healthy Hygiene

Wash your hands frequently
Cover your mouth/nose when you cough or sneeze
Avoid touching your face

Practice Physical Distancing

Fully vaccinated/acquired immunity: No physical distancing required

Unvaccinated: Remain six (6) feet apart from others during times of extended contact (15 minutes or more), except in classrooms where space/seating does not allow physical distancing

Face Mask/Covering

Mask requirements will be based on risk assessment and may change. Use the QR Code to see the most up-to-date campus requirements.
