#5: Change in BA/BS Definition

Voted by UGC (12/3)

The Bachelor of Arts and the Bachelor of Science degrees promote a liberal arts education that fosters distinct methodologies and intellectual capacities. Both degrees require focused study of the human experience and scientific inquiry.

The Bachelor of Arts is a liberal arts degree that explores the human experience and its meaning across a variety of disciplines. The degree includes second language proficiency at the intermediate level and often provides opportunities for a minor.

The Bachelor of Science is a liberal arts degree allowing for concentrated study in a particular field.

#6: 43-credit ACE framework

Voted by UGC (1/7)

Base package of 43-credit ACE framework including the equivalent of:

One wellness, four religion, one history, one social science, two [humanities] (music, art, lit), one science, one math, two writing, and one communication courses, where equivalents are determined by outcomes aligned with the AUUFO.

#7: Change to Residency Requirements

Voted by UGC (1/7)
