World Changers Made Here.
Every year we welcome the new to Andrews. New students. New energy. New perspectives. New surprises. You are new and you are valued. So pack those bags, it’s almost time to get on the road!
Not all new undergraduate students are alike...

- First-year students have never attended a college or university full-time, although some may have taken college courses or earned advanced placement credit while in high school.
- Transfer students have attended another college or university full-time for one semester or more.
- International students arrive at Andrews University from nearly 100 countries around the world—some as first-year students and others as transfer students.

Each of you has unique needs that our Orientation Week program is tailored to meet.

I’m a transfer student. When should I arrive?
We offer two arrival points and two Orientation options for transfer students:

Sunday arrival: If you are coming to Andrews with limited college experience, we recommend that you sign up to arrive at FIRST STOP on Sunday, August 18, and go through the full Orientation Week experience with first-year students.

Thursday arrival: If you are a college veteran and have already been through an orientation experience at another institution, you may still choose to come on Sunday, August 18, and participate in the full week, or you may opt to sign up for a Thursday, August 22, arrival at FIRST STOP. Transfer students who arrive on Thursday will take part in an abbreviated Orientation experience, August 22–25.

* International transfer students have the choice of arriving on Sunday or Thursday as well, with the added expectation that you attend International Student Orientation on either Sunday, August 18 (for Sunday arrivals) or Sunday, August 25 (for Thursday arrivals). These are listed in the schedule.

I’m a first-year student. When should I arrive?
You should sign up to arrive at FIRST STOP on Sunday, August 18. This will begin a full week of Orientation Week activities and the First 100 Days experience.

* International first-year students should plan to arrive on Sunday, August 18, as well. However, your day will begin with International Student Orientation from 8:30 a.m.–1:30 p.m. After that, you’ll check in at FIRST STOP from 1:30–2:30 p.m.

Everyone’s Andrews experience begins with FIRST STOP!
If you’re arriving on Sunday, August 18, FIRST STOP will be located in the beautiful lobby of the Howard Performing Arts Center. It will be open from 8:30 a.m.–1:30 p.m. for domestic undergraduate students and from 1:30–2:30 p.m. for international undergraduate students.

If you arrive later in the week, FIRST STOP will be located on the first floor of the Administration Building, at the heart of campus, and open during business hours (9 a.m.–5 p.m.).

FIRST STOP serves as the welcome and check-in center for undergraduate students. You’ll be greeted by friendly and helpful staff, faculty and student leaders.

Sign up online for a FIRST STOP check-in time
Because we can’t serve everyone at once, we ask that you sign up online for a FIRST STOP check-in time. Go to andrews.edu/goto/firststop. Those who haven’t signed up for a check-in time will be assigned one when they arrive.

Are you financially cleared?
If you’re financially cleared, you may move into a residence hall on Sunday, August 18. You’ll be asked to sign up for a move-in time when you sign up for FIRST STOP.

If you haven’t received financial clearance before arriving, you will need to see our Student Financial Services staff located on the first floor of the Administration Building from 9 a.m.–5 p.m. (including Sunday, August 18).

PLEASE NOTE: Students must be financially cleared before moving into the residence halls.

Can I move in early?
The official move-in date is Sunday, August 18, from 9 a.m.–5 p.m. Should your travel schedule require you to arrive early and you need to move in on Friday, August 16, please contact the Residence Life Housing office at rhhousing@andrews.edu to make arrangements. Only a limited number of early arrivals can be accommodated, and arrangements must be made in advance with the Residence Life Housing office. Again, PLEASE NOTE that students must be financially cleared before moving into the residence halls.

Make your list and check it twice
Preparing for college can be overwhelming. The Acceptance Packet we sent you in the mail includes detailed information that may be of help. It also contains the names, phone numbers and emails of staff on campus who can answer your questions. Don’t hesitate to call us! If you’ve misplaced your Acceptance Packet, you can access this information at andrews.edu/undergrad/accepted.

We can’t wait to see what you’ll bring to our campus!
From Your Student Leaders

The Andrews University Student Association (AUSA) officers are looking forward to your arrival. From planning events and offering services to communicating your wishes to administration, our goal is to serve you and make your time at Andrews memorable.

We have three suggestions as you begin your college experience:

**Stay Spiritually Focused**—Make your relationship with God your number one priority this year. AUSA will offer many opportunities for you to grow spiritually. Come find us if you have questions or need a quick prayer between classes.

**Get Involved**—AUSA is excited about the potential of the Andrews campus. We encourage you to appreciate the cultural diversity of our campus while investing in experiences that bring us all together. Step outside your comfort zone. Get involved. It will create opportunities you never dreamed possible.

**Speak Up**—Communication between students and faculty is crucial. As students we have valuable perspectives. In turn, we need to appreciate the wisdom of faculty and administrators. Updates of initiatives AUSA is working on will be posted on our Campus Center bulletin board and our website.

Spirituality, unity, school spirit and communication will be the focus for everything we do this year. If you are interested in helping us improve this campus, consider applying to be an AUSA Senator. It’s a great way to get involved and make positive change. An email will be sent to all students at the beginning of the semester with application information.

The AUSA offices are located on the lower level of the Campus Center. Please come by any time. We look forward to meeting you soon!

Yours in service,

The 2019–2020 AUSA Officers

**NEW STUDENT TESTING**

**MATH PLACEMENT EXAM**

If you sent ACT or SAT scores to Andrews, then you have already been assigned an MPE score based on those results. You can find it in the “Academic Information” section of your iVue or PreVue page. If you have an MPE score there and you are satisfied with the score then there is no need to take the MPE. If you do not have a score, or if you believe you can raise your score, then sign up and take a proctored MPE on Monday afternoon, August 19. If you are unsure of whether you should take the MPE, staff from the Department of Mathematics will be on hand at FIRST STOP to discuss this with you. To prepare for the MPE, enroll in and work in ALEKS PPL using the code on the website below. For the code and other details go to andrews.edu/math and follow the links under Mathematics Placement.

**FIRST-YEAR TESTING**

At FIRST STOP, you will be assigned a time for First-Year Testing. During this time, you will be completing questionnaires that will provide you—and those who advise or serve you—with important information on how to improve your success and wellbeing at Andrews University. Participation is required of all first-year students. Attendance will be taken. Please bring your ID card with you.

Achieve Works & Learning and Study Strategies Inventories

During the summer, you should receive instructions on how to complete the Achieve Works career inventory and the Learning and Study Strategies Inventory (LASSI) online. Please do this before arriving on campus. At FIRST STOP, you will be assigned a time when you will debrief the results of the Achieve Works inventory in a small group. The LASSI results may be used by your academic advisor or our Student Success Center to assist you in boosting your academic performance. If you haven’t completed these inventories before arrival you will need to do so once on campus.

**TOEFL EXAM**

If you have a language hold and need to take the Center for Intensive English Institutional TOEFL Exam, you must register online at andrews.edu/cas/ciep/toefl/. Three testing dates are offered:

- Monday, August 19, Nethery Hall 203, 2–5 p.m.
- Thursday, August 22, Nethery Hall 203, 2–5 p.m.
- Sunday, August 25, Nethery Hall 203, 2–5 p.m.

The cost is $35. You can also check the following link for the upcoming TOEFLs: andrews.edu/cas/ciep/toefl-dates/. Email the CIEP office at ciep@andrews.edu or call 269-471-2260 if you have any questions about the TOEFL.

Students taking the CIEP Institutional TOEFL on August 19 will miss the Math Placement Exam. An alternate Math Placement Exam will be offered later on Thursday afternoon, August 22. Please contact the Department of Mathematics if you need to take this later exam.

**PARENTS & SUPPORTERS**

Parents and supportive family and friends are an important part of a student’s education and a valued part of the start to Orientation Week. We have planned the following events on Sunday, August 18, with you in mind! See the schedule for details.

- FIRST STOP and Move-In
- Parent & Supporter Conversation
- Convocation & Matriculation Ceremony
- President’s “Farm-to-Table” Welcome Dinner
YOUR FIRST 100 DAYS

Your First 100 Days at Andrews University will lay the foundation for your success over the coming semesters. That’s why we want to stay in touch with you during this first semester.

Additional Required First-Year Seminars and Mentoring Groups
Over your First 100 Days at Andrews, you will be required to attend two additional First-Year Assemblies and two more Mentoring Group sessions. These four programs will be held on Tuesdays from 11:30 a.m. to 12:20 p.m. during the co-curricular period (see schedule below). There will also be a Freshman Class Vespers program, sponsored by the Freshman Class on Friday evening, November 1. Co-curricular credit will be given for all of these programs.
