Every year we welcome the new to Andrews. New students. New energy. New perspectives. New surprises. You are new and you are valued. So pack those bags, it’s almost time to get on the road!
Not all new undergraduate students are alike…

- **First-year students** have never attended a college or university full-time, although some may have taken college courses or earned advanced placement credit while in high school.
- **Transfer students** have attended another college or university full-time for one semester or more.
- **International students** arrive at Andrews University from nearly 100 countries around the world—some as first-year students and others as transfer students.

Each of you has unique needs that our Orientation Week program is tailored to meet.

**I’m a transfer student. When should I arrive?**

We offer two arrival points and two Orientation options for transfer students:

**Sunday arrival:** If you are coming to Andrews with limited college experience, we recommend that you sign up to arrive at FIRST STOP on Sunday, August 20, and go through the full Orientation Week experience with first-year students.

**Thursday arrival:** If you are a college veteran and have already been through an orientation experience at another institution, you may still choose to come on Sunday, August 20, and participate in the full week, or you may opt to sign up for a Thursday, August 24, arrival at FIRST STOP. Transfer students who arrive on Thursday will take part in an abbreviated Orientation experience, August 24–26.

*International transfer students* have the choice of arriving on Sunday or Thursday as well, with the added expectation that you attend International Student Orientation on either Sunday, August 20 (for Sunday arrivals) or Sunday, August 27 (for Thursday arrivals). These are listed in the schedule.

**I’m a first-year student. When should I arrive?**

You should sign up to arrive at FIRST STOP on Sunday, August 20. This will begin a full week of Orientation Week activities and the First 100 Days experience.

*International first-year students* should plan to arrive on Sunday, August 20, as well. However, your day will begin with International Student Orientation from 8:15 a.m.–2 p.m. After that, you’ll check in at FIRST STOP.

Everyone’s Andrews experience begins with FIRST STOP! If you’re arriving on Sunday, August 20, FIRST STOP will be located in the beautiful lobby of the Howard Performing Arts Center. It will be open from 9 a.m.–5 p.m. for domestic undergraduate students and from 2–5 p.m. for international undergraduate students.

If you arrive later in the week, FIRST STOP will be located on the first floor of the Administration Building, at the heart of campus, and open during business hours (9 a.m.–5 p.m.). FIRST STOP serves as the welcome and check-in center for undergraduate students. You’ll be greeted by friendly and helpful staff, faculty and student leaders.

**Sign up online for a FIRST STOP check-in time**

Because we can’t serve everyone at once, we ask that you sign up online for a FIRST STOP check-in time. Go to [andrews.edu/goto/firststop](http://andrews.edu/goto/firststop). Those who haven’t signed up for a check-in time will be assigned one when they arrive.

**Are you financially cleared?**

If you’re financially cleared, you may move into a residence hall on Sunday, August 20, even before checking in at FIRST STOP, if it is more convenient.

If you haven’t received financial clearance before arriving, you will need to see our Student Financial Services staff located on the first floor of the Administration Building from 9 a.m.–5 p.m. (including Sunday, August 20).

Please note: Students must be financially cleared before moving into the residence halls.

**Can I move in early?**

The official move-in date is Sunday, August 20, from 9 a.m.–8 p.m. Should you require an earlier move-in, please contact the Residence Life Housing office at rhhousing@andrews.edu to see if arrangements can be made.

**Make your list and check it twice**

Preparing for college can be overwhelming. The Acceptance Packet we sent you in the mail includes detailed information that may be of help. It also contains the names, phone numbers and emails of staff on campus who can answer your questions. Don’t hesitate to call us! If you’ve misplaced your Acceptance Packet, you can access this information at [andrews.edu/undergrad/accepted](http://andrews.edu/undergrad/accepted).

**We can’t wait to see what you’ll bring to our campus!**
From Your Student Leaders

The Andrews University Student Association (AUSA) officers are looking forward to your arrival. From planning events and offering services to communicating your wishes to administration, our goal is to serve you and make your time at Andrews memorable.

We have three suggestions as you begin your college experience:

**Stay Spiritually Focused**—Make your relationship with God your number one priority this year. AUSA will offer many opportunities for you to grow spiritually, from enriching weekly vespers to a life-changing Week of Prayer. Come find us if you have questions or need a quick prayer between classes.

**Get Involved**—AUSA is excited about the potential of the Andrews campus. We encourage you to appreciate the cultural diversity of our campus while investing in experiences that bring us all together. Step outside your comfort zone. Get involved. It will create opportunities you never dreamed possible.

**Speak Up**—Communication between students and faculty is crucial. As students we have valuable perspectives. In turn, we need to appreciate the wisdom of faculty and administrators. Updates of initiatives AUSA is working on will be posted on our Campus Center bulletin board and our website.

Spirituality, unity, school spirit and communication will be the focus for everything we do this year. If you are interested in helping us improve this campus, consider applying to be an AUSA Senator. It’s a great way to get involved and make positive change. Applications are available in the AUSA and Student Life offices and must be turned in by Friday, September 8.

The AUSA offices are located on the lower level of the Campus Center. Please come by any time. We look forward to meeting you soon!

Yours in service,

The 2017–2018 AUSA Officers

NEW STUDENT TESTING

MATH PLACEMENT EXAM
If you sent ACT or SAT scores to Andrews, then you have already been assigned an MPE score based on those results. You can find it in the “Academic Information” section of your iVue or PreVue page. If you have an MPE score there and you are satisfied with the score, then there is no need to take the MPE. If you do not have a score, or if you believe you can raise your score, then sign up and take a proctored MPE on Monday afternoon, August 21. To prepare for this exam, enroll in and work in ALEKS PPL using the code on the website below. For the code and other details go to andrews.edu/math and follow the links under Mathematics Placement. There will also be a brief review session on Monday, August 21, at 8:30 a.m.

DO WHAT YOU ARE CAREER INVENTORY
During the summer, you should receive instructions on how to complete the Do What You Are career inventory online. Please do this before arriving on campus. At FIRST STOP, you will be assigned a time when you will de-brief the results of this inventory in a small group. If you haven’t completed Do What You Are before arrival you will need to do so once on campus.

TOEFL EXAM
If you have a language hold and need to take the Center for Intensive English Institutional TOEFL Exam, four testing dates are offered. You must register by the deadline listed below in order to take the exam.

Students may register for the exam in person at the CIEP office in Nethery Hall 203, on the phone (269-471-2260) or through email (ciep@andrews.edu). The cost is $35. You can also check the following link for upcoming TOEFL dates: andrews.edu/cas/ciep/toefl-dates.html.

Students taking the CIEP Institutional TOEFL on August 21 will miss the Math Placement Exam. An alternate Math Placement Exam will be offered later on Thursday afternoon, August 24. Please contact the Department of Mathematics if you need to take this later exam.
YOUR FIRST 100 DAYS

Your First 100 Days at Andrews University will lay the foundation for your success over the coming semesters. That’s why we want to stay in touch with you during this first semester.

Co-Curricular Short Courses
Over the course of your First 100 Days, you will have an opportunity to select from several Co-Curricular Short Courses that will continue to help you make the transition to University life. These will be offered on Tuesdays during the co-curricular period (11:30 a.m. to 12:20 p.m.). Short Courses each contain five sessions and are scheduled in two blocks—from Sept. 5 to Oct. 17 and from Oct. 31 to Nov. 28. You will be emailed a list of Short Course descriptions and locations before each block begins. Co-curricular credit will be given for attending these courses.

Mentoring Groups
You won’t be going through your First 100 Days alone! Your new student mentors will stay in touch with you. They remember what it was like to be in your shoes. And they’ll be there to make your transition to University life smooth and enjoyable. They may even call your Mentoring Group back together during the semester just to check in. Be sure to take advantage of the advice and support they can offer!
