

# **Requirements for Reading Reports**

## **EDCI689 Seminars: Portfolio, Assessment, Trends**

### **Fall 2003**

- After reading each assigned chapter do the following in a word processing program such as Word:
  - The name of the book & author
  - The chapter name & number
  - A summary of the 5-7 main points of the article (this can be done with a bulleted list)
  - A discussion of how these points fit with what you already know about teaching and learning, and
  - Your reaction/assessment of the reading (do you believe what the author(s) said?).
- Attach the reading report to an email message and submit it to me ([burton@andrews.edu](mailto:burton@andrews.edu)). Be sure to remember to label the subject of the message with the class acronym (edci689), your name, and the assignment name OR task number.
