REGRETS

Ken Thomas

PRAYER

Beverly Matiko, Kermit Netteburg, Richard Orrison, Dave Penner, and Jack Stout as well as President Andreasen were introduced as new members. May 11, 1994 minutes were approved. The next meeting will be chaired by Harold Lang as Ken Thomas will be out of town. Academic Policies and Program Review subcommittees will probably be presenting items for discussion next time. Program Review Subcommittee needs a replacement for Charles Stokes, who has retired. The Chair and Secretary were requested to bring a recommendation for someone from the wider University arena for next time.

**INTRODUCTORY
ACTIONS AND
DISCUSSION**

Voted to recommend to the President to de-emphasize the formal graduation faculty marching order in favor of self-grouping within designated groups. This idea can be tried out for the President's inauguration on October 31.

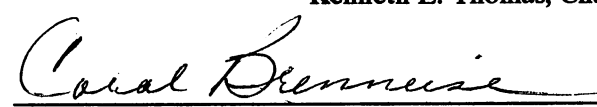

**DE-EMPHASIZE
FACULTY
GRADUATION
MARCHING
ORDER
94-95, #1**

Transfer students sometimes have problems when their credits from other accredited institutions indicate a knowledge base which actually isn't there. Members discussed possible solutions for the problem. It is pretty well impossible not to accept these credits from an accredited institution, however when the knowledge base is important to future courses, advisers or testing programs might sift out problems who need remedial work.

**TRANSFER
CREDIT
INTEGRITY**

Next meeting the Council needs to discuss the request from the Student Association Senate that the policy on graduation designations be reconsidered, especially for transfer students.

**FUTURE
AGENDA**
