## Pieces of Me

On a Monday, I am waiting  
Tuesday, I am fading  
And by Wednesday, I can't sleep  
Then the phone rings, I hear you  
And the darkness is a clear view  
Cuz you've come to rescue me  
Fall... With you, I fall so fast  
I can hardly catch my breath, I hope it lasts

Ohhhhh  
It seems like I can finally  
rest my head on something real  
I like the way that feels  
Ohhhhh  
It's as if you know me better  
than I ever knew myself  
I love how you can tell  
All the pieces, pieces, pieces of me  
All the pieces, pieces, pieces of me

I am moody, messy  
I get restless, and it's senseless  
How you never seem to care  
When I'm angry, you listen  
Make me happy it's your mission  
And you won't stop til I'm there  
Fall... Sometimes I fall so fast  
When I hit that bottom  
Crash, you're all I have

Ohhhhh  
It seems like I can finally  
rest my head on something real  
I like the way that feels

Ohhhhh  
It's as if you know me better  
than I ever knew myself  
I love how you can tell  
All the pieces, pieces, pieces of me

How do you know everything  
I'm about to say?  
Am I that obvious?  
And if it's written on my face...  
I hope it never goes away... yeah

On a Monday, I am waiting  
And by Tuesday, I am fading into your arms...  
So I can breathe

Ohhhhh  
It seems like I can finally  
rest my head on something real  
I like the way that feels  
Ohhhhh  
It's as if you've know me better  
than I ever knew myself  
I love how you can tell  
Ohhhhh  
I love how you can tell  
Ohhhhh  
I love how you can tell  
All the pieces, pieces, pieces of me  
All the pieces, pieces, pieces of me...

## Sleep On It

I hope you don't mind me say  
I think you're so lovely  
I hope you don't mind me staying  
Cause I might never leave  
We can rewind to nothing  
Start at the beginning  
Don't forget to breathe

Baby I don't have much  
But I've got more then enough to keep you  
Isn't it nice to touch?  
Something solid you can cling to  
Baby I promise you this  
You don't know just what you're missing  
I've got everything you're wanting  
So maybe we could sleep on it tonight

I didn't mean to alarm you  
Sedulity's my weakness  
Give me a minute to charm you  
And you'll know what I mean  
Maybe I didn't mention  
You won't regret my intentions  
I've got trick you've never seen

Baby I don't have much  
But I've got more then enough to keep you  
Isn't it nice to touch?  
Something solid you can cling to  
Baby I promise you this  
You don't know what you're missing  
I've got everything you're wanting  
So maybe we should sleep on it tonight

Now that it's all out on the table  
(Come and get it)  
You better love me while you're able

Baby I don't have much  
But I've got more then enough to keep you  
Isn't it nice to touch?  
Something solid you can cling to

Baby I don't have much  
But I've got more then enough to keep you  
Isn't it nice to touch?  
Something solid you can cling to  
Baby I promise you this  
You don't know just what you're missing

Baby I don't have much  
But I've got more then enough to keep you  
Isn't it nice to touch?  
Something solid you can cling to  
Baby I promise you this  
You don't know just what you're missing  
I've got everything you're wanting  
So maybe we should sleep on it tonight

## *Fly*

Any moment, everything can change,  
Feel the wind on your shoulder,  
For a minute, all the world can wait,  
Let go of your yesterday.

Can you hear it calling?  
Can you feel it in your soul?  
Can you trust this longing?  
And take control,

Fly  
Open up the part of you that wants to hide away  
You can shine,  
Forget about the reasons why you can't in life,  
And start to try, cause it's your time,  
Time to fly.

All your worries, leave them somewhere else,  
Find a dream you can follow,  
Reach for something, when there's nothing left,  
And the world's feeling hollow.

Can you hear it calling?  
Can you feel it in your soul?  
Can you trust this longing?  
And take control,

Fly  
Open up the part of you that wants to hide away  
You can shine,  
Forget about the reasons why you can't in life,  
And start to try, cause it's your time,  
Time to fly.

And when you're down and feel alone,  
Just want to run away,  
Trust yourself and don't give up,  
You know you better than anyone else,

Any moment, everything can change,  
Feel the wind on your shoulder,  
For a minute, all the world can wait,  
Let go of yesterday,

Fly  
Open up the part of you that wants to hide away  
You can shine,  
Forget about the reasons why you can't in life,  
And start to try,  
Fly  
Forget about the reasons why you can't in life,  
And start to try, cause it's your time,  
Time to fly.

In a moment, everything can change.

## *When I See You Smile*

When I see you smile  
It feels like I'm falling  
It's not for anybody else to know  
The way your face could light the bitter dark of every street  
In every town I'll ever go  
It's not for anybody else to know  
For anybody else to know

When I see you smile  
First thing in the morning  
It raises curtains on your lazy eyes  
Could it be that you and I have the greatest love to ever be  
How could this have ever been before?  
It's not for anybody else to know  
For anybody else to know

When Friday night arrives  
We'll let it pass outside the door  
This is not for anybody else  
Anybody else to know

## Seize the Day

I know a girl who was schooled in Manhattan  
She reads dusty books and learns phrases in Latin  
She is an author, or maybe a poet  
A genius but it's just this world doesn't know it  
She works on her novel most every day  
If you laugh she will say

Seize the day, seize whatever you can  
'Cause life slips away just like hourglass sand  
Seize the day, pray for grace from God's hand  
Then nothing will stand in your way  
Seize the day

Well I know a doctor, a fine young physician  
Left his six-figure job for a mission position  
He's healing the sick in an African clinic  
He works in the dirt and writes home to the cynics  
He says "We work through the night so most every day  
As we watch the sun rise we can say

Seize the day, seize whatever you can  
'Cause life slips away just like hourglass sand  
Seize the day, pray for grace from God's hand  
Then nothing will stand in your way  
Seize the day

Well I know a man who's been doing some thinking  
He's as bitter and cold as the whiskey he's drinking  
He's talking 'bout fear, about chances not taken  
If you listen to him you can hear his heart breaking  
He says "One day you're a boy and the next day you're dead  
I wish way back when someone had said

Seize the day, seize whatever you can  
'Cause life slips away just like hourglass sand  
Seize the day, pray for grace from God's hand  
Then nothing will stand in your way

Seize the day  
Well one thing I've noticed, wherever I wander  
Everyone's got a dream he can follow or squander  
You can do what you will with the days you are given  
I'm trying to spend mine on the business of living  
So I'm singing my songs off of any old stage  
You can laugh if you want, I'll still say

Seize the day, seize whatever you can  
'Cause life slips away just like hourglass sand  
Seize the day, pray for grace from God's hand  
Then nothing will stand in your way  
Seize the day

## Breakaway

Grew up in a small town  
And when the rain would fall down  
I'd just stare out my window  
Dreaming of what could be  
And if I'd end up happy  
I would pray (I would pray)

Trying hard to reach out  
But when I tried to speak out  
Felt like no one could hear me  
Wanted to belong here  
But something felt so wrong here  
So I pray (I would pray)  
I could breakaway

I'll spread my wings and I'll learn how to fly  
I'll do what it takes til' I touch the sky  
I'll make a wish  
Take a chance  
Make a change  
And breakaway  
Out of the darkness and into the sun  
But I won't forget all the ones that I love  
I'll make a wish  
Take a chance  
Make a change  
And breakaway

Wanna feel the warm breeze  
Sleep under a palm tree  
Feel the rush of the ocean  
Get onboard a fast train  
Travel on a jet plane far away (I will)  
And breakaway

I'll spread my wings and I'll learn how to fly  
I'll do what it takes til' I touch the sky  
I'll make a wish  
Take a chance  
Make a change  
And breakaway  
Out of the darkness and into the sun  
But I won't forget all the ones that I love  
I'll make a wish  
Take a chance  
Make a change  
And breakaway

Buildings with a hundred floors  
Swinging around revolving doors  
Maybe I don't know where they'll take me but  
Gotta keep moving on, moving on  
Fly away, breakaway

I'll spread my wings  
And I'll learn how to fly  
though it's not easy to tell you goodbye  
I gotta take a risk  
Take a chance  
Make a change  
And breakaway  
Out of the darkness and into the sun  
But I won't forget the place I come from  
I gotta take a risk  
Take a chance  
Make a change  
And breakaway, breakaway, breakaway

## *Sway*

Don't stray  
Don't ever go away  
I should be much too smart for this  
You know it gets the better Of me  
Sometimes  
When you and I collide  
I fall into an ocean of you  
Pull me out in time  
Don't let me drown  
Let me down  
I say it's all because of you

And here I Go  
Losing my Control  
I'm practising your name  
So I can say it  
To your face it doesn't  
Seem right  
To look you in the eye  
And let all the things  
You mean to me  
Come tumbling out my mouth  
Indeed it's time  
Tell you why  
I say it's  
Infinitely true

Say you'll stay  
Don't come and go  
Like you do  
Sway my way  
Yeah I need to know  
All about you

And there's no cure  
And no way to be sure  
Why everythings turned inside out  
Instilling so much doubt  
It makes me so tired  
I feel so uninspired

My head is battling with my heart  
My logic has been torn apart  
And now  
It all turns sour  
Come sweeten  
Every afternoon

Say you'll stay  
Don't come and go  
Like you do  
Sway my way  
Yeah I need to know  
All about you

Say you'll Stay  
Don't come and go  
Like you do  
Sway my way  
Yeah I need to know  
All about you

Its all because of you  
Its all because of you

Now it all turns sour  
Come sweeten  
Every afternoon  
It's time  
Tell you why  
I say it's  
Infinitely true

Say you'll stay

## *Something Good*

ust wanna know ya  
Just wanna talk to ya  
I wanna hear about your day  
I'd never leave ya  
Never be mean to ya  
I'd always let you get your way

Something good will come our way  
And maybe this good thing's gonna happen today

If I were honest I'd tell you everything  
But it keeps coming out as lies  
It's not a promise  
In case you're wondering  
It's not some blessing in disguise

But something good will come our way  
And maybe this good thing's gonna happen today  
Something good will come our way  
And maybe this good things gonna happen today

I know romance is not in fashion  
And my heart is on the line  
If you would be so kind  
To help me kill some time

Then something good just might come crashing  
From the stars that light the sky  
If you would be so kind  
To help me kill some time

Just wanna know ya  
Just wanna talk to ya  
I wanna hear about your day  
I'd never leave ya  
Never be mean to ya  
I'd always let you get your way

Something good will come our way  
And maybe this good thing's gonna happen today  
Something good will come our way  
And maybe this good things gonna happen today

Something good will come our way  
Something good will come our way  
Something good will come our way  
Something good will come our way  
La la la la la  
La la la la la  
La la la la la  
Something good will come our way

## Beautiful Disaster

An exquisite extreme I know  
He's as damned as he seems  
And more heaven than a heart could hold  
And if I try to save him  
My whole world could cave in  
It just ain't right  
It just ain't right

Oh and i don't know  
I don't know what he's after  
But he's so beautiful  
Such a beautiful disaster  
And if I could hold on  
Through the tears and the laughter  
Would it be beautiful?  
Or just a beautiful disaster

He's magic and myth  
As strong as what I believe  
A tragedy with  
More damage than a soul should see  
And do I try to change him  
So hard not to blame him  
Hold on tight  
Hold on tight

Oh cuz I don't know  
I don't know what he's after  
But he's so beautiful  
Such a beautiful disaster  
And if I could hold on  
Through the tears and the laughter  
Would it be beautiful?  
Or just a beautiful disaster

I'm longing for love and the logical  
But he's only happy hysterical  
I'm searchin for some kind of miracle  
Waited so long  
So long

He's soft to the touch  
But frayed at the end he breaks  
He's never enough  
And still he's more than I can take  
Oh cuz I don't know  
I don't know what he's after  
But he's so beautiful  
Such a beautiful disaster  
And if I could hold on  
Through the tears and the laughter  
Would it be beautiful?  
Or just a beautiful disaster

He's beautiful  
Such a beautiful disaster

## The First Cut is the Deepest

I would have given you all of my heart  
But there's someone who's torn it apart  
And he's taken just all that I had  
But if you want I'll try to love again  
Baby I'll try to love again but I know

The first cut is the deepest  
Baby I know the first cut is the deepest  
But when it come to being lucky he's cursed  
When it come to loving me he's the worst  
I still want you by my side  
Just to help me dry the tears that I've cried  
And I'm sure going to give you a try  
And if you want I'll try to love again  
Baby I'll try to love again but I know

The first cut is the deepest  
Baby I know the first cut is the deepest  
But when it come to being lucky he's cursed  
When it come to loving me he's the worst

I still want you by my side  
Just to help me dry the tears that I've cried  
But I'm sure gonna give you a try  
'cause if you want I'll try to love again  
Baby I'll try to love again but I know

The first cut is the deepest  
Baby I know the first cut is the deepest  
When it come to being lucky he's cursed  
When it come to loving me he's the worst
