### *Assigned:*

There will be only a few explicitly-assigned assignments. Most deliverables will be determined by the group based on the members experience and on what was learned in INSY 460, Software Engineering. Specific deliverables that are requested will be described and posted on the Web. Specific presentations will be required both for the clients and for the teacher.

### *Due:*

Specific due dates for certain deliverables are listed here and are discussed in class and via e-mail.

### *NOTE:*

Assignments and due dates will be added and updated throughout the quarter.  
Please consult this document regularly.

The course syllabus provides a general plan for the course. Deviations may be necessary.
